12 MR. MCHALE: Anybody like to address  
13 Council tonight?

14 ATTY. CUMMINGS: Gerard.

15 MR. MCHALE: Gerard, please. Sorry,  
16 Gary.

17 MR. HETMAN: Good evening as always,  
18 ladies and gentlemen, Gerard Hetman from  
19 Lackawanna County. To begin this evening we're  
20 at the time of the year when our Area Agency on  
21 Aging does their farmers market voucher  
22 distribution for senior citizens. So we will  
23 leave the schedule with you for the  
24 distribution run for this year.

25 It runs from June 22nd is the first

1 distribution date at the North Pocono Senior  
2 Center. The last one is Wednesday, July 13th  
3 at the Jewish Community Center in Scranton.  
4 The dates for the Dunmore Senior Center is  
5 Friday, July 8th. And distribution begins 9:00  
6 in the morning at each of the sites listed here  
7 and continues until the supply of vouchers is  
8 exhausted for that location.

9 Individuals who live in the county  
10 could go to any distribution sites. It doesn't  
11 have to be the one nearest to them. But they  
12 could only go to one and get their vouchers.  
13 They can't go multiple vouchers at multiple  
14 locations.

15 If the person can't make it  
16 themselves in person, they could fill out what  
17 we call a proxy form and we'll leave an example  
18 with you. And the proxy form allows someone  
19 else to pick up their vouchers for them with  
20 the person's permission.

21 So again, the staff here received  
22 this information from the Area Agency on Aging  
23 but we also mention it to Council because I'm  
24 sure a lot of us get questions on this and it  
25 just helps to know when these things are

1 available for your neighbors.

2 We always see a good run here at the  
3 Dunmore Senior Center for folks who get the  
4 vouchers. So we're glad the program makes a  
5 difference in the community.

6 We have a couple events coming up  
7 this week. The first is our fourth annual  
8 Lackawanna County Job Fair, Thursday, June  
9 16th, 1 to 5 p.m., at PNC Field. It's very  
10 similar drill to what we've done in past years  
11 We have approximately 50 to 60 local employers  
12 come in.

13 It changes every year because some  
14 employers from past years that fill up their  
15 quotas and aren't hiring in a big way whereas  
16 other employers start up where they have a  
17 hiring run so they ask us to get on board. So  
18 it's different every year.

19 We see a range of companies. They  
20 bring not only full-time positions but also  
21 part time seasonal and internship  
22 opportunities. So this is a great opportunity  
23 not just for folks looking for a full-time job  
24 but also people who are seeking an internship  
25 for the summer as a student or maybe a retiree

1 or a student looking for a part time gig for  
2 the summer or longer. Free parking and it's  
3 open to the public. Anyone looking for any  
4 type of employment opportunity, that's a great  
5 resource.

6 Also this is public safety side, the  
7 Pennsylvania State Fire Academy will host a  
8 class at the County Center for public safety on  
9 Saturday, September 10th. The title of the  
10 course is the First Responder Safety Training  
11 For Natural Gas Vehicles and Fuelling stations.  
12 Trying to teach firefighters and other EMS  
13 personnel how to battle fires in vehicles that  
14 are powered by natural gas and at fuelling  
15 stations that provide natural gas for vehicle  
16 fuel.

17 We see that now more and more and  
18 more in society locally and around the world.  
19 It's a really useful training to have. And I  
20 don't see a cost on here. So I believe that  
21 means it's free. Normally they will tell us  
22 when there is a cost.

23 And just lastly, the latest library  
24 lecture series installment is coming up. It  
25 will be Tuesday, July 19th at 7:00 p.m. at the

1 Cultural Center. And I mention particularly  
2 here because the author is a woman named Piper  
3 Kerman. And I believe she's a former drug  
4 trafficker who did time in prison and is now an  
5 author.

6 And her book is titled Orange Is The  
7 New Black. And it's got a pretty good pop  
8 culture following. So it should be one of the  
9 more interesting lectures that they have among  
10 many good ones. That's all I have for my  
11 remarks. We'll see you later in the summer and  
12 I believe --

13 MR. KEARNEY: What was the date on  
14 the voucher?

15 MR. HETMAN: Oh, for this center is  
16 July 8th actually is the date for the Dunmore  
17 Center.

18 MR. KEARNEY: Thank you.

19 MR. HETMAN: The 22nd of June will  
20 be the first one at North Pocono. And then  
21 there is one at each of the Senior Centers in  
22 the county going down to July 13th at the JCC.

23 The one here is obviously closest  
24 for most of your residents will be July 8th,  
25 Friday.

1 MR. KEARNEY: Thank you.

2 MR. HETMAN: That's all we have.

3 Thank you, folks.

4 MS. SCRIMALLI: Thank you.

5 MR. MCHALE: Thank you, Gerard.

6 Mr. Duncan.

7 MR. DUNCAN: Gary Duncan, 117  
8 Barton Street, Dunmore, just a quick one.  
9 Everybody got the minutes from the last  
10 neighborhood watch meeting? I see heads  
11 nodding. Sal?

12 MR. VERRASTRO: I actually did not  
13 again.

14 MR. DUNCAN: All right. I'll resend  
15 them later. Double-check your e-mail again,  
16 okay? Make sure you're getting it. I hate to  
17 tell you where it may be going. Do you have  
18 your dad's account?

19 MR. VERRASTRO: I shouldn't.

20 MR. DUNCAN: Okay. Let me get your  
21 e-mail to make sure. And I'll resend it again,  
22 okay? And maybe that's where it's going. I  
23 have everybody's e-mail. I apologize. I'll  
24 get it to you though tonight. We'll talk after  
25 the meeting.

1                   There is a neighborhood watch  
2                   meeting a week today, June the 20th, 7:00. It  
3                   will be here. And just for the record, I just  
4                   to let everybody know, IRS scams are starting  
5                   up again. Some of the neighbors got five calls  
6                   on a Friday, another Saturday.

7                   This time they are coming from a  
8                   lady and, you know, the usual you owe money.  
9                   So, you know, call this number just so the  
10                  public is aware. And that's really it. I hope  
11                  to see everybody next Monday night. I'll get  
12                  your e-mail.

13                  MS. SCRIMALLI: Thank you.

14                  MR. BURKE: Thank you.

15                  MR. MCHALE: Anybody else like to  
16                  address Council tonight?

17                  (No response.)

18                  MR. MCHALE: Seeing none.

19                  ATTY. CUMMINGS: Public officials.

20                  MR. MCHALE: Chris, do you have  
21                  anything tonight?

22                  MR. KEARNEY: Yeah, I just wanted  
23                  to -- I put it on our Facebook. We have now  
24                  opened for the summer 11:00 down here.

25                  MR. MCHALE: 10:00.

1 MR. KEARNEY: 10:00, sorry. And  
2 we'll continue that throughout the summer until  
3 it ends. That's it.

4 MR. MCHALE: Thank you. Mr. Judge?

5 MR. JUDGE: Nothing.

6 MR. MCHALE: Chief Marchese?

7 CHIEF MARCHESE: Nothing.

8 MR. MCHALE: Chief DeNaples?

9 CHIEF DENAPLES: Just a few brief  
10 items. We had the Clay Avenue fire on June 1st  
11 right over here on the 1300 block of Clay  
12 Avenue. It was a successful operation. There  
13 was no injuries of any responders or any  
14 firefighters or the public which was a good  
15 thing.

16 It was knocked down pretty quick so  
17 it was extinguished fairly quick for the size  
18 of the building and the hazards that encompass  
19 that. So I just want to say thank you to all  
20 our firefighters and our police and the mutual  
21 aid departments and EMS departments that helped  
22 us out there.

23 And the only other thing I wanted to  
24 bring up is, there is a program through the  
25 American Red Cross to install smoke detectors

1           in the residences. They usually do about 300,  
2           375 roughly on like a Saturday. So that was  
3           the most they ever got done. So a  
4           representative from the American Red Cross  
5           reached out to me.

6                     And he would like to get something  
7           going between us and Penn State Worthington.  
8           There's a couple students up there that would  
9           like to do the program with us. So the fire  
10          department, some students from Penn State  
11          Worthington, and the American Red Cross and  
12          they would supply them all, you know, canvass  
13          areas and go out and actually install them, you  
14          know, help the residents install them.

15                    And there is no number on them. So,  
16          you know, if somebody needed five smoke  
17          detectors in their house, they will be able to  
18          get five. Where through the Operation Save a  
19          Life, it's usually two per household.

20                    That's the one we get the week of  
21          fire prevention. So that is something I just  
22          wanted to bring up to you guys. It's in the  
23          works. And hopefully we'll be able to get it  
24          going at the end of this month or the beginning  
25          of July. So that's an important thing.

1                   And the parking we're looking at  
2                   possibly looking at -- explore the options for  
3                   firefighter parking on the Keystone Court side  
4                   of the firehouse. That's between the  
5                   housing -- Lackawanna County Housing and the  
6                   firehouse.

7                   So if we can look into that and  
8                   maybe get four or five spots there and get some  
9                   posting for it, I think it will alleviate a lot  
10                  of the congestion in the back parking lot  
11                  between the police and fire, you know, that  
12                  shift change it gets pretty congested in there.

13                  MR. MCHALE:    Is the tractor-trailer  
14                  gone?

15                  CHIEF DENAPLES:  That's going to be  
16                  moved within the next 48 hours.  The gentleman  
17                  I spoke with him a couple times.  And I  
18                  recently spoke with him this morning.  And he  
19                  said within the next 48 hours he'll have it out  
20                  of there.  He's been extremely busy.  So that  
21                  storage truck and trailer will both be out of  
22                  there.

23                  MR. MCHALE:    Tom, do we need some  
24                  type of an ordinance to pass -- it's off street  
25                  parking -- that we can put signs up for

1 firefighter parking on that side?

2 ATTY. CUMMINGS: You already have  
3 the ordinance. I think just a motion would be  
4 appropriate.

5 MR. MCHALE: I'll look for a motion.

6 MR. HALLINAN: Yeah, I'll make that  
7 motion because I was talking to Joe Lorince  
8 about it today. And I think we were looking at  
9 maybe four parking spots which still wouldn't  
10 interfere with anything else down to the first  
11 home on Keystone. So I would make a motion  
12 that we put in four fire parking slots for the  
13 firemen.

14 MS. SCRIMALLI: I'll second that.

15 MR. MCHALE: I have a motion and a  
16 second. Mr. Judge, will you be able to get  
17 with Chief and order some signs to his liking?

18 MR. JUDGE: Absolutely.

19 MR. MCHALE: As long as it's okay  
20 with Chief --

21 MR. JUDGE: We got the other signs  
22 up today. Did you see them?

23 MR. MCHALE: Yes, I saw them.

24 CHIEF DENAPLES: Thank you.

25 MR. MCHALE: Anybody else on the

1 question?

2 (No response.)

3 MR. MCHALE: All those in favor  
4 signify by saying aye.

5 ALL MEMBERS: Aye.

6 MR. MCHALE: Opposed?

7 (No response.)

8 MR. MCHALE: The ayes have it and so  
9 moved. Anything else, Chris?

10 CHIEF DENAPLES: That's it. Thank  
11 you.

12 MR. MCHALE: Thank you again for  
13 everything over there. I spoke to Chief. I  
14 think everybody on Council was a little bit  
15 nervous about that fire. Specifically that it  
16 was so close to the kids and the kids did --  
17 they cancelled Little League that night just  
18 out of fear of anybody going into it.

19 And I understand you parked some  
20 firefighters there and anybody who has been up  
21 there, the building is already knocked down.  
22 So kudos to you and your men. And thank you  
23 for keeping the kids informed, keeping us  
24 informed to make sure the kids are safe.  
25 Vince, do you want to lead us off?

1                   ATTY. CUMMINGS: I apologize, I  
2 neglected on the personnel motion to note that  
3 the hirees are subject to appropriate  
4 background verification.

5                   MR. MCHALE: Yep. Absolutely.  
6 Thank you, Mr. Cummings. Do you have anything  
7 else, Tom?

8                   ATTY. CUMMINGS: No, sir.

9                   MR. MCHALE: Mr. Amico, do you want  
10 to lead us off tonight?

11                   MR. AMICO: Yeah, I have one thing.  
12 We have been receiving e-mails from Lackawanna  
13 County Recycling Office of Environmental  
14 Sustainability. I just wanted to reiterate  
15 that as far as TVs or electronics, we have  
16 Borough and Lackawanna County residents have  
17 until June 30th to be able to bring your  
18 recyclables down to either the Recycling Center  
19 or I spoke with Mr. Judge earlier.

20                   He said there would be a can at the  
21 Borough lot. But you have until June 30th to  
22 bring your TVs, large electronics down free of  
23 charge. After June 30th, it's on the owner to  
24 pay. I know for me, for example, I have 32  
25 inch old school tube TV that I need to get rid

1 of that probably weighs a hundred pounds.

2 So if I don't get it down in two  
3 weeks, it's going to cost me \$100 to get rid of  
4 it. And again, after June 30th, it's on you.  
5 And a woman -- Miss Giovagnoli who is in charge  
6 of this department stressed that the  
7 electronics need to be the way you bought them.

8 The cord has to be on them. You  
9 can't disassemble them. They have to be  
10 intact. So even if you have a console  
11 television from your basement, you can't take  
12 the TV out of the cabinet. It has to go in  
13 whole. And then it will be free. And again,  
14 after June 30th, it's on you.

15 And is that -- is everything squared  
16 away as far as your end, Mr. Judge, just bring  
17 it to the lot -- the Borough --

18 MR. JUDGE: We can get a can.

19 MR. AMICO: Can you guys make that  
20 happen?

21 MR. JUDGE: Is that what you guys  
22 want to do? Mike, we have to put it in the  
23 building because these things can't be wet.  
24 They can't be -- like you said, the cords can't  
25 be off them. We can get a smaller can, like a

1 20 yard can and put it right inside the --

2 MR. MCHALE: Didge, don't we have  
3 the cans that we never did anything with?

4 MR. JUDGE: Yeah, we can even just  
5 use them up the back and pull them right down  
6 and have the kids sit there because they'll be  
7 throwing everything in.

8 ATTY. CUMMINGS: If I may interject,  
9 you need to set a specific time and a specific  
10 day. You have to have employees on site. You  
11 have to have clean, dry, protected and not  
12 contaminated. And you have make sure whoever  
13 comes in has identification they are in deed  
14 from the Borough of Dunmore.

15 You could get inundated quite  
16 quickly if it's not run properly. And it could  
17 be rejected if it's not clean or dry.

18 MR. JUDGE: What is the date on it,  
19 Tom?

20 ATTY. CUMMINGS: The end date is the  
21 last day in June. You do not want to go into  
22 the last day.

23 MR. JUDGE: No.

24 MR. AMICO: Well, Mr. Judge, if you  
25 think it's -- to be honest with you, if it's

1           going to be too much of an inconvenience to get  
2           it started, I know we only have two weeks. We  
3           can just have the residents bring it right down  
4           to the Recycling Center, whatever you guys  
5           think.

6                     MR. MCHALE: That's the easiest.

7                     MR. JUDGE: They're popping up all  
8           over the place. They are dumping them all  
9           over, the fields, yards at night. People can't  
10          get rid of them. It's up to you guys. You  
11          want me to get a can, I'll get a can.

12                    MR. DEMPSEY: I think we should just  
13          have them -- and too late of a notice I think.

14                    MR. JUDGE: You think?

15                    MR. HALLINAN: Yeah, by the time you  
16          get it out there.

17                    MR. DEMPSEY: Because especially  
18          they'll start putting out the ones that are  
19          broken and the cords will be gone and we're  
20          going to be stuck with all of them.

21                    MR. JUDGE: I'd say we tell them put  
22          them out and we'd pick them up but that will  
23          get out of hand. That will be --

24                    MR. MCHALE: Yeah.

25                    MR. AMICO: I think that will cause

1 a lot of work on you. I think people will take  
2 advantage of that, you know.

3 MR. DEMPSEY: Maybe we can try  
4 something for next year.

5 MR. AMICO: There probably won't be  
6 a next --

7 MR. DEMPSEY: Oh, this is it?

8 MR. AMICO: June 30th, that's why I  
9 just want to make it as easy as possible for  
10 residents and then, you know, unfortunately  
11 it's on them after June 30th.

12 MR. MCHALE: Kyle, can you put  
13 something in the paper about how important this  
14 is, June 30th, in one of the little blurbs on  
15 the small left side column that the date's  
16 coming up? They have to be a Lackawanna County  
17 resident. And they have to prove it. Maybe if  
18 you could do one of those little reminders,  
19 fillers, that would be great. Anything else,  
20 Mr. Amico?

21 MR. AMICO: No. Thank you.

22 MR. MCHALE: Mr. Hallinan.

23 MR. HALLINAN: I would like to say  
24 thank you to the DPW for the lot you did up  
25 here. Your men -- that's -- we're ready to go.

1           Now we just have to fill it with vendors and we  
2           have a few on tap. June 25th is the opening  
3           day.

4                       MR. JUDGE: We should do it with  
5           this lot over here, clean it up.

6                       MR. HALLINAN: Well, I don't know  
7           whose it is. And also if anybody noticed the  
8           new school speed limit signs are up by Holy  
9           Cross just in time for the school year to end.  
10          But at least they will be there for next  
11          season. And the state put them in. The old  
12          ones are still flashing. They'll have to take  
13          them down. That's all I have. Thank you, Mr.  
14          McHale.

15                      MR. MCHALE: Yeah, Tommy, just to  
16          reiterate. That was the one thing I was going  
17          to say too happy to see that those flashing  
18          school zone lights are there. I'm sure  
19          Mrs. Perry -- that was something that she was  
20          begging for for five years. That was a very  
21          nice thing to see. I'm glad that they've made  
22          that a priority. Mr. Dempsey.

23                      MR. DEMPSEY: Real quick. Great  
24          idea, Chief, I don't know if anybody noticed --  
25          Gary, I'm sure you'll like this. We have cops

1           on bikes now. We had our bikes serviced. And  
2           now they are out. The neighbors seem to love  
3           it. I think they got a standing ovation going  
4           down Willow Street. So if you see them on the  
5           bikes, do not be afraid to engage them. That's  
6           what they're there for to hear about it.

7                     If you need to talk to them and let  
8           them know what is going on. I think that was a  
9           great idea. So great job there, Chief. Chief  
10          DeNaples, great job with that fire again.

11                    CHIEF DENAPLES: Thank you.

12                    MR. DEMPSEY: Hopefully, it's a  
13          little bit longer for the next one.

14                    CHIEF DENAPLES: If ever. And my  
15          just condolences to the -- as I'm sure  
16          everybody on Council to the victims in Orlando.  
17          That's all I have for tonight.

18                    MR. MCHALE: Absolutely.  
19          Mrs. Scrimalli.

20                    MS. SCRIMALLI: I would just like to  
21          also thank Chief and your team for the great  
22          work you did on the Clay Avenue fire. And  
23          again, the Summer Program I believe the date  
24          that is starting is July 6th, is it?

25                    MR. MCHALE: Actually, Chris?

1 MR. KEARNEY: June 27th, that way  
2 we'll avoid the conflict up at Sherwood because  
3 of picnic and Bible camp.

4 MS. SCRIMALLI: Great. June 27th  
5 then and thank you for all your hard work too,  
6 Chris. That's all I have for tonight. Thank  
7 you very much.

8 MR. MCHALE: Thanks Carol. Mr.  
9 Burke?

10 MR. BURKE: Yes. I got a few calls  
11 about burning in the backyard. I talked to Joe  
12 about it. Is there only a certain kind of wood  
13 that they can burn?

14 MR. LORINCE: Yeah, there's no  
15 opening burning. And our ordinance says no  
16 open burning, period.

17 MR. BURKE: So even that stuff that  
18 doesn't give off the smoke?

19 MR. LORINCE: Yeah, nobody is going  
20 to bother you with the stuff you buy from Price  
21 Chopper, the logs there that doesn't give off  
22 smoke or anything. It's the people that are  
23 getting brush and getting leaves and putting  
24 them in and garbage and have a big fire.

25 MR. BURKE: If something gets out of

1 control with something like that then they call  
2 Chief?

3 MR. LORINCE: Yeah, goes out a lot  
4 of times and puts the fire out.

5 MR. MCHALE: Or that Chief. You  
6 follow up, right, if some is out burning?

7 CHIEF MARCHESE: I'll go.

8 MR. LORINCE: Fire department just  
9 puts it out.

10 MR. MCHALE: It's criminal is my  
11 point.

12 MR. Lorince: Tell them next time  
13 we'll cite them for it.

14 MR. MCHALE: Exactly.

15 MR. BURKE: I was also talking to  
16 Joe. We had a situation with zoning where Joe  
17 told me about that we go over some of the  
18 zoning rules that haven't been done in quite a  
19 while.

20 MR. LORINCE: 16, 17 -- we started  
21 about 19 years ago. It's about 19 years old.

22 MR. BURKE: If you could give us an  
23 update on that, Joe, when you want to get that  
24 going.

25 MR. LORINCE: We're working with

1           SAPA.  SAPA, once they get all of their plans  
2           done then we are going to get grant money so we  
3           can, you know, do our zoning ordinance.

4                   MS. SCRIMALLI:  Buddy up with  
5           another municipality and --

6                   MR. LORINCE:  Yeah, you're going to  
7           end up --

8                   MS. SCRIMALLI:  The same --

9                   MR. LORINCE:  Municipalities, like,  
10          putting everything together.

11                  MR. BURKE:  Thanks, Joe.  That's all  
12          I have.

13                  MR. MCHALE:  Thank you, Tim.  
14          Mr. Verrastro.

15                  MR. VERRASTRO:  I don't have  
16          anything tonight.

17                  MR. MCHALE:  Do you have one more  
18          thing?

19                  MR. HALLINAN:  Yeah, Didge, we got  
20          in touch so the residents know about the brush  
21          cutter that Lackawanna County is going to let  
22          us borrow.

23                  MR. JUDGE:  We called them the other  
24          day.

25                  MR. HALLINAN:  So I mean there are a

1 couple concerned citizens on Meade Street and  
2 wherever that it's starting overgrow and you  
3 have a few areas.

4 MR. JUDGE: Probably going to do  
5 Montage with it first. He called me, probably  
6 sometime next week.

7 MR. HALLINAN: Again, we're not  
8 going to be until July, so I just wanted to get  
9 it out there for the people to understand it  
10 will be done within the next couple of weeks  
11 when they let us use it. Thank you.

12 MR. MCHALE: Thanks, Tom. I have  
13 nothing further. I'll look for a motion to  
14 adjourn.

15 MR. DEMPSEY: Motion.

16 MR. MCHALE: So moved. Second?

17 MR. VERRASTRO: Second.

18 MR. MCHALE: All in favor.

19 ALL MEMBERS: Aye.

20 MR. MCHALE: We're adjourned.
