Dear Mr. Senofonte:

This letter is to advise you, pursuant to Section 1905-A of The Administrative Code of 1929 (71 P.S. §510-5) regarding municipal notification requirements as cited in the Pennsylvania Air Pollution Control Regulations (25 Pa Code §127.43a and §127.413), that Air Quality Applications are being filed for a General Permit for portable non-metallic mineral processing equipment and associated diesel-fired engine at Keystone Sanitary Landfill, located at 249 Dunham Drive, Dunmore, PA, Lackawanna County.

Air Quality General Permit Applications are being submitted for the following:

- One (1) general permit (BAQ-GPA/GP-3) application for one (1) portable non-metallic mineral processing plant.
- One (1) general permit (BAQ-GPA/GP-9) application for one (1) diesel-fired engine.

A 30-day comment period regarding the application begins upon your receipt of this notice. Questions and/or comments regarding the application should be directed to the Pennsylvania Department of Environmental Protection, Northeast Regional Office, Bureau of Air Quality, 2 Public Square, Wilkes-Barre, Pennsylvania 18701-1915. The telephone number is (570) 826-2511.

Sincerely,
