1	I'd like to hire Michael Butler part-time DPW

1tonight. First we actually have large posters2for both of these first two things. And I will3leave these with Mr. Kearney.4First is for the I don't want to5say the inaugural but returning air show at the6Wilkes-Barre/Scranton International Airport.7So it's August 12th and 13th, Saturday and8Sunday. There is plenty of information. They9have a real good website with all the info on10it. The three big ones are up here.11I should note that it's the first12time the air show has been back in 17 years.13The better this first one does, the more14chances that we get going forward to get, not15just these acts back but some of the bigger16acts that you think of on the air show circuit,17like some of the big jet demonstration teams18and the like.19The second item is the National20Championship game for AAA baseball. Of course21most of us remember this because last year the22Railriders advanced to this after winning in23the National League and won the championship24game to be crowned the AAA National Champions.	-

7 here at the PNC Field regardless of whether the Railriders are playing in it or not. Hopefully they will be. Even if they don't qualify, the game will still be held here. And that happens every year, two leagues agree to hold it in a stadium in the league regardless of who wins. So last year it was I think was Nashville or maybe Memphis. And it's going to be here this year. So the thing with this is just like the air show, the better it does, the better chances it looks for other opportunities down the road, namely in this case, hopefully AAA All Star Game. And we all remember the last time the All Star Game was here I think was 95 and a young Derek Jeter was playing in the All Star Game for the Columbus Clippers. So hopefully this will lead with good participation in the area to get the All Star Game back in the near future. Some of our other announcements,

just a few, Penn State Extension is offering their safety certification course for folks that work for or volunteer in the food service. It's August 2nd and August 9th, so a few weeks

1	away.
2	The Family Fun Day series that we
3	have at the parks, we still have three dates
4	left for that. The next one is at Merli
5	Sarnowski Park, this Saturday, July 15th. And
6	there's two more July 22nd and August 5th at
7	the different parks.
8	Our 3 on 3 basketball tournament is
9	open for registration. It takes place later
10	this month July 28th and 29th, rain date July
11	30th. We always see lots Bucks jerseys on the
12	courts down there, lots of kids from the
13	borough and even some adults participate. So
14	please spread the word if you can.
15	We keep getting a good reception
16	downtown. Everyone that participates enjoys
17	being on the streets playing, you know, in
18	front of family and friends at the curb
19	watching. So it's back there again. And we're
20	happy to see it be a success.
21	And there's two arts and cultural
22	items. Our Art In The Parks series starts
23	tomorrow at Merli Sarnowski Park. It's a
24	little later this year because of July 4th
25	being on a Tuesday last week. And also the

5	And just last but not least, I see
6	information of there that farmer's market
7	vouchers still have a few dates left for
8	distribution. So we just like to remind folks
9	of that when they come up. That's all we have.
10	Thanks guys.
11	MR. MCHALE: Thanks.
12	MS. SCRIMALLI: Thanks, Gerard.
13	MR. MCHALE: Anybody else like to
14	address Council, please come up and state your
15	name for the record.
16	MR. CANCELLERI: Chuck Cancelleri,
17	202 Jessup Street, Dunmore. I happened to see
18	in the paper that you're going to be moving
19	forward on a Paving Program. And I just wanted
20	to mention I saw Jessup Street was going to be
21	in this.
22	And to give you a heads up, the side
23	by Jerry's got all washed out last year in one
24	of those heavy rains. And if they are just
25	going to mill it and pave over it, I'm just,

-	
	10
1	you know, afraid you're going to waste your
2	money on it.
3	Whoever you used for engineering or
4	whatever if they could look at that, probably
5	maybe even need to curb and maybe that side,
6	maybe a better base over there because the
7	water does rage down both sides. But the side
8	I live on doesn't really get hit too bad.
9	But that side has ripped up pretty
10	bad, almost of the full block. And I'm just
11	like I said, just a heads up that whoever your
12	firm is that is going to spec it out maybe
13	would look at that and look where it washed out
14	rather than waste your money. You may have to
15	spend a little bit more but it wouldn't cause a
16	future issue. That's it.
17	MR. MCHALE: Thank you, sir. We'll
18	definitely send those notes to our engineer.
19	The bids are open this Friday actually. I
20	would assume that he does know. But I'll call
21	him tomorrow myself to remind him exactly what
22	you said and to make sure that it's addressed.
23	We appreciate the heads up.
24	MR. CANCELLERI: Thank you.
25	MR. MCHALE: Anybody else? Please.

1	T-shirts and things. But more importantly the
2	Historical Society is at Tripp and Barton
3	Street. We're there every Saturday from nine
4	until noon. We have a lot of neat stuff in
5	there, a lot of neat artifacts and great
6	photographs of the railroads and everything.
7	And encourage everybody in this
8	town. It's really a gem to come in there and
9	just take a look around. It's just the
10	greatest deal there is because it's free. And
11	free beats cheap. So come in and visit us and
12	see what we have there.
13	We did get some signs donated from
14	the Royal Order of the Moose. They gave us 13
15	neighborhood watch signs. I have four
16	addresses from people that are with the
17	neighborhood watch. And I wanted to give
18	everybody time to ask one more time.
19	And so I'll bring those signs to the
20	24th meeting. And if I don't have any other
21	takers, I can give whoever from Council comes
22	to that meeting the addresses and maybe we can
23	get the signs up or if we have to clear it with
24	the Chief or however we have to do it.
25	My other thing is Tom Richardson,

	17
1	I'm going to miss him because he was on second
2	shift and he's on day shift. And Tom was kind
3	of the police liaison in our neighborhood watch
4	meetings. So if you can ask the Chief for
5	somebody on the 24th.
6	I just love having the officers
7	here. And Tommy Richardson was pretty
8	religious about it. So if we can just make
9	sure we have somebody down here for that, that
10	would be great. And, of course, you folks are
11	always welcome.
12	And last but not least, I want to
13	thank Council for the appointment to the
14	Planning Commission. You have no idea how much
15	it means to me. I go to bed in Dunmore. I
16	wake up in Dunmore. I love Dunmore. So thanks
17	a lot.
18	And thanks everybody. I won't be at
19	the farmer's market this Saturday but I'm sure
20	you all will be.
21	MR. MCHALE: Thanks, Gary. Anybody
22	else like to address Council? Going once?
23	(Seeing none.)
24	MR. MCHALE: Public officials.
25	Chris, do you have anything?

	18
1	MR. KEARNEY: Yeah, I want to give
2	you an update on the Summer Program. Today
3	Mr. Finan told us that we registered our 100th
4	kid. Now, we don't have 100 every day. That's
5	down here at the DCC. St. Anthony's has 25
6	which is up from what we've had. Sherwood is
7	up to between 60 and 70.
8	Now, that's what's registered. We
9	don't get them every single day. There's kids
10	on vacation. We had a nutritional education
11	going on this week. The CEO people, they do
12	the lunch program for the summer.
13	And they sent an educator down. So
14	she's here every day. She's going to go to the
15	parks all week. Every Friday we have the arts
16	and crafts with Christy Hinton and Jena. And
17	that is every Friday. And plus we had pizza
18	donated from Grande's Pizza last Friday. And I
19	thanked them on our Facebook page. And
20	Mr. Amico is in touch with an art instructor
21	Jena? We have lots of Jenas.
22	MR. AMICO: Yeah, Jena Romanini.
23	MR. KEARNEY: Otherwise it's going
24	well. The teachers, instructor are really
25	doing a nice job at each place. And I drive

	n
	19
1	around and supply them with stuff every day.
2	That's all.
3	MR. MCHALE: Thanks, Chris. I see
4	Chief DeNaples back there.
5	CHIEF DENAPLES: Nothing tonight.
6	MR. MCHALE: Did I miss anybody?
7	Mr. Amico, do you want to lead us off tonight?
8	MR. AMICO: I'm good tonight. Thank
9	you very much.
10	MR. MCHALE: Mr. Hallinan.
11	MR. HALLINAN: I have DePietro's
12	Pharmacy has been kind enough from last when we
13	got rained out but August 1st with a rain date
14	of August 3rd, we're doing movie night here at
15	the Little League, the Sand Lot. So nice
16	movie, bring the family, have a good night.
17	Let's hope the weather cooperates.
18	And to say what Chris is we
19	Grande Pizza through, you know, everybody on
20	Council and a couple people, they donated the
21	pizza. And we've gotten because of that, we
22	have five other Fridays and people have already
23	stepped up to donate pizza every Friday for the
24	rest of the season, which is very nice. And
25	then that's all I have, Mr. McHale. Thank you.

	20
1	MR. MCHALE: Mr. Dempsey.
2	MR. DEMPSEY: I got nothing tonight.
3	MR. MCHALE: Mr. Verrastro.
4	MR. VERRASTRO: Nothing tonight.
5	Thank you.
6	MR. MCHALE: Mr. Burke.
7	MR. BURKE: I would just like to
8	thank Grande for the donations and DePietro's.
9	Tom, what time is that movie?
10	MR. HALLINAN: Dusk.
11	MR. BURKE: I don't have anything
12	else. Thanks.
13	MR. MCHALE: Mrs. Scrimalli.
14	MS. SCRIMALLI: I just want to
15	congratulate everyone that was appointed for
16	the Planning Commission. Congratulations. I
17	also want to thank Chris for the great job that
18	he's doing with the Summer Program. Thank you
19	very much. Good work.
20	And we as Council as the Borough
21	we're now going to be a member of the Scranton
22	Chamber. And we'll be working with Stephanie
23	Longo. So I look forward to that. So thank
24	you all for coming.
25	MR. MCHALE: Thank you, Mrs.

21 Scrimalli. Just real quick, one thing that I 1 think has touched everybody up here today, the 2 3 passing of Mark Rinaldi from the high school. He was a coach of mine. He's the athletic 4 5 director now. But more importantly when I was in school he was a young teacher. 6 7 And I've told many many people this. 8 And I went onto college for several whatever, 9 but best teacher I've ever had. So it's a big 10 Great guy. Cared about the kids in loss. 11 Dunmore. And, you know, he has a great family. 12 Just he's gone too soon, kind of 13 puts things in perspective. But our prayers 14 are with his family and I speak for all of But that's all I have. Council. I'll look for 15 16 a motion to adjourn. MR. BURKE: 17 Motion. 18 MR. DEMPSEY: Second. MR. MCHALE: All in favor? 19 20 ALL MEMBERS: Aye. MR. MCHALE: We're adjourned. 21 22 23 24 25
