CUMMINGS: Public Comment on 16 17 agenda items. 18 MR. DEMPSEY: Anyone from the public 19 like to address any of the agenda items? 20 MS. CUFF: So I'm not sure if this 21 is proper procedure or not but I'm actually 22 questioning something that's not on the agenda 23 that I would expect to be on the agenda. 24 I'm just wondering about the 25 amendment if that should be on the agenda to be

	3
1	signed by yourself and by the Mayor tonight?
2	MR. DEMPSEY: I don't know if that
3	is an agenda item.
4	ATTY. CUMMINGS: It's not.
5	MR. DEMPSEY: I never signed an
6	ordinance from September the September
7	meeting. I assume that's what you are
8	referencing.
9	MS. CUFF: I am, yes.
10	ATTY. CUMMINGS: To my knowledge,
11	it's not an agenda item.
12	MR. DEMPSEY: Okay.
13	MAYOR BURKE: Sharon, I'll be
14	bringing up once you step down I'll speak on
15	that if it's all right with Council.
16	MS. CUFF: Okay.
17	MR. DEMPSEY: That's fine, Mayor
18	Burke.
19	MAYOR BURKE: As of last meeting
20	anyway when the vote came to I haven't received
21	any letter registered letter on the vote.
22	But anyway just to this is just when I do
23	receive it I will veto it. On September 19th,
24	2019, the Dunmore Borough voted on the proposed
25	zoning amendment identified as Ordinance No.

	4
1	02 Of 2019.
2	MR. DEMPSEY: Tim, I don't mean to
3	interrupt you but I know I can't hear you and
4	I'm sure
5	MAYOR BURKE: Oh, I'm sorry. On
6	September 19th, 2019, the Dunmore Borough
7	Council voted on a proposed zoning amendment
8	identified as Ordinance No. 02 of 2019, which
9	was proposed by Keystone Sanitary Landfill.
10	This proposed zoning amendment would
11	change the definition of sanitary landfill to
12	specifically state sanitary landfill shall
13	neither be considered nor subject to regulation
14	as structures for purposes of this ordinance.
15	Tonight I am invoking my authority
16	as Mayor to veto this proposed legislation. As
17	a right of Mayor according to Borough Code,
18	every ordinance enacted by Council should be
19	presented to the Mayor for the Mayor's approval
20	though I have not been formally presented with
21	a copy of this ordinance which was voted on. I
22	obtained a copy of the ordinance and I am right
23	now or upon formal presentation exercising my
24	right to veto the ordinance.
25	My objection to the ordinance is and

	5
1	my reasons for vetoing are below. But I would
2	like the record to reflect I was never properly
3	presented with an ordinance as required by the
4	Borough Code.
5	However, the Borough Code also
6	states that my veto and objections must be
7	given to Council and entered upon the minutes
8	to Council at the next scheduled meeting
9	occurring at least 10 days after the meeting at
10	which the ordinance was enacted by Council.
11	Today's meeting October 14th, 2019
12	is the next scheduled meeting after the
13	September 19th, 2019 meeting. And, therefore,
14	I am presenting my objections tonight. The
15	reasons I am exercising my veto rights are
16	according to the following objections.
17	Number one, this matter is currently
18	being litigated and change to the zoning code
19	at this juncture in time are designed to
20	circumvent the legal process already in motion.
21	Number two, the proposed ordinance
22	was not recommended to be adopted by the
23	Lackawanna County Regional Planning Commission
24	due to unsettled law pending litigation.
25	Number three, the controlling case

8	MR. DEMPSEY: Mr. Duncan.
9	MR. DUNCAN: 117 Barton Street,
10	Dunmore, Pennsylvania. Just a couple things.
11	I know the folks that are here everybody got
12	the minutes, the copy of everything from last
13	month's Neighborhood Watch Meeting. We will be
14	having our monthly neighborhood watch meeting a
15	week tonight, 7:00. Certainly everybody that's
16	here is always welcome.
17	Also next week, October is Fire
18	Safety Month. For the last six years that
19	we've had the neighborhood watch, the Dunmore
20	Fire Department have actually we can't thank
21	them enough. They come out every year. They
22	do an outstanding job with their presentation
23	on fire safety for the month.
24	And thankfully year in and year out
25	they come down and they provide smoke detectors

14 1 for the residents of the Borough. This particular year -- and I spoke with Chief 2 3 DeNaples who is here tonight if he wants to add 4 to it certainly; but the smoke detectors that 5 we have will be installed by the members of the fire department. 6 7 So those that need simply if you can 8 get us the addresses and then the members of 9 the fire department could get out and install those for the members of the community. 10 Ι 11 think that's a wonderful asset. So thank you 12 very much, Chief, and tell the members of your 13 department we appreciate that. 14 MR. DEMPSEY: Thank you very much, 15 Council. Anyone else? Yes, sir. 16 MR. FAATZ: Good evening. I'm also present of Valhalla Veterans Services 19 20 and a member of several other organizations 21 throughout the area. 22 I'd like to point out that we have some members -- some veteran members from all 23 24 over this area, Archbald, Clarks Summit, 25 Scranton, etc. I would like to talk to you

2	Friends of the Forgotten sent a
3	letter to the Mayor asking to address Council
4	for permission to clean and repaint the tank
5	and to create a memorial with the names of all
6	of those that gave the supreme sacrifice from
7	Lackawanna County during the Korean conflict.
8	A statute atop the memorial and nine
9	flagpoles for all branches of the armed forces
10	as well as the American flag, the state flag
11	and POW and MIA flags. In November of 2013, at
12	that time Council offered to help defray some
13	of the expense of the project by supplying the
14	equipment and manpower for excavations as well
15	as concrete for the foundations and Council
16	gave its approval.
17	With this approval we contacted
18	Marywood College for assistance from the Art
19	Department to design a memorial to honor the
20	Korean War veterans in May of 2014.
21	(Inaudible) provided us with a design that we
22	approved and he went through the work involved
23	to get the sculpture cast.
24	We also contacted the Parise
25	Monument to create the base for the memorial.

1	We completed the cleaning and painting of the
2	tank in August of 2014. We received a grant
3	from Lackawanna County for partial cost of the
4	Lackawanna County Korean memorial in March of
5	2015.
6	And along with donations from many
7	veterans, families and others, we were able to
8	complete and dedicate the memorial on May 30th
9	of 2015. Friends of the Forgotten purchased
10	nine flagpoles and flags in September of 2015.
11	Please remember that was four years ago.
12	Since that time, the Dunmore Rotary
13	has erected a beautiful World War I memorial.
14	The Borough has moved the war memorial from in
15	front of the Borough Building to in front of
16	the tank and the Boy Scouts have done a
17	wonderful job cleaning in front of the tank.
18	It's heartwarming to see that the
19	community has shown an interest in the
20	memorializing our veterans. Now, we have been
21	in contact with the Borough numerous times
22	every month in the past four years. We have
23	received one excuse after another for not
24	putting the flagpoles in.
25	We have even changed the proposed

1location of these poles twice. Earlier this2year the Borough did remove the pavement where3these nine flagpoles are to go. But it is4stopped there. Can we please get another5commitment from Council to get the job done as6soon as possible without another four year7delay?8MR. DEMPSEY: Sure. 1	We have a monthly meeting with the
2	water company. I can ask them again when we
3	meet with them again. But I know you've been
4	in touch with Mr. Judge and Mr. King, I believe
5	for the auger to dig those holes. Is there any
6	status of that, Mr. Judge?
7	MR. JUDGE: No, we're just waiting
8	for the okay to do it now.
9	MR. RUGGIERO: We're just waiting on
10	that water company to come with their plans.
11	They're putting a pump station in across from
12	the restaurant there. So they're going to run
13	the main line down that back side of that
14	street. I don't know where they're going to
15	put that line in. So we can't dig until that
16	line is established.
17	MR. FAATZ: Okay. I do not work for
18	the water company. I do not work for Dunmore
19	Borough. But it seems to me that if the water
20	company is going to run lines, they would dig
21	up the street rather than move the tank which
22	they would have to do in order to put the lines
23	in.
24	MR. RUGGIERO: I don't know if
25	they're going to sir, I don't know if

19 1 they're going to go on the back side of that 2 tank coming off the Meade Street side, Blakely 3 Street because they're going to tie all those 4 lines together and put in into the pump station 5 that's there. As soon as they make the plans we'll accommodate you in any way we can. 6 7 MR. DEMPSEY: No one is against 8 doing it. We just don't want to dig and put 9 the poles in and find out that they have to be 10 moved. So we can't guess as to where they are 11 going to do the digging. 12 MR. FAATZ: They were going along side of the tank. 13 14 MR. DEMPSEY: They don't even know 15 where they're going yet. And we don't know 16 where they're going yet. But they have our 17 plans. 18 MR. FAATZ: Do you think that they 19 would move the tank in order to dig? 20 MR. DEMPSEY: I don't know. I would 21 hope not. But they may go along the back side 22 of the tank. 23 MR. FAATZ: We've been waiting four 24 Put the flagpoles in. If the water vears. 25 company decides that's where they're going to

2	put the flagpoles back up.
3	MR. DEMPSEY: We'll discuss that.
4	That's fine.
5	MR. RUGGIERO: Sure. Sure.
6	MR. FAATZ: I mean, let's do it and
7	get it done. We put bought nine flagpoles for
8	thousands of dollars and they've been in
9	storage for four years.
10	MR. RUGGIERO: Sir, do you have the
11	concrete and everything secured already so then
12	we could just set the flags and put the
13	concrete in?
14	MR. FAATZ: The Borough said that
15	they would do the manpower and take care of the
16	concrete, not us. That was back in 2013.
17	MR. DEMPSEY: Was it at a meeting?
18	MR. FAATZ: That's why I'm so upset
19	about this.
20	MR. DEMPSEY: None of us were here
21	in 2013 so that's
22	MR. FAATZ: Obviously.
23	MR. DEMPSEY: Was it at a public
24	meeting?
25	MR. FAATZ: Council is Council no

2	MR. DEMPSEY: Understand. But was

4	MR. FAATZ: I just want the job
5	done.
6	MR. DEMPSEY: Was it at a public
7	meeting; do you remember? Do you recall?
8	MR. FAATZ: A public meeting?
9	MR. DEMPSEY: Yeah. No one is
10	against doing
11	MR. FAATZ: Let's get it done.
12	MR. DEMPSEY: Fair enough.
13	MR. HALLINAN: Fair enough.
14	MR. FAATZ: Thank you very much.
15	MR. DEMPSEY: Thank you. Yes, sir.
16	MR. HOULIHAN: My name is Mike
17	Houlihan. I live on 107 Mortimer Street,
18	Dunmore. It's a one-way off of Chestnut
19	going most people know the old La Cucina's.
20	I've been living there since 2001. My wife and
21	I bought the house.
22	Franny Kranick lives across from me.
23	The neighbor next to me 111 was a man named
24	John Denoia and his wife Millie and his brother
25	Mike lived upstairs. So the house is always

22 1 considered family, single dwelling as of last night still listed. 2 3 New owners have since taken over this twice now as far as I'm -- I know a guy 4 5 named Joseph Foley was the past one. Now it's under Chestnut Residential Group, which I don't 6 7 know how to get in touch with anybody from 8 there. 9 But I spoke to Joe Lorince twice now 10 about the parking arrangements in front of this 11 apartment. When John Emili{sic} owned it there 12 was a patch of grass and two entrances into the 13 house, the downstairs and the upstairs. Since 14 then the owner both now and past have created 15 two parking spots in the front. 16 And I do have photos. Again, this 17 might be more zoning but for safety reasons I 18 talked to Didge and Didge seen this firsthand. 19 And I do have some photos of the property if 20 you don't mind looking -- and also, this is 21 the deed, single dwelling. But I don't know how legally we're 22 23 renting a single dwelling -- this is the front 24 of the house, sorry. That's someone who keeps 25 parking on my property. That's another reason

1	I'm here with signs up.
2	I don't know how we're legally
3	renting a double house in a single dwelling
4	apartment. And Joe Lorince argued with me a
5	little bit about it. But I know old man Denoia
6	owned the house, his son Michael. And John
7	took the house over.
8	And Mike used to actually park in my
9	property because the Occultos were related.
10	But I have been there long enough to search the
11	history. I know the family because I used to
12	cut that little patch of grass in front of
13	their house and shovel for Mr. Denoia because
14	he was an elderly guy. Being the new neighbor
15	I tried to help him out.
16	So I don't know how Joe Lorince I
17	talked to him about zoning and asked him to
18	give me the definition of a parking spot. And
19	this is 2000s which is the one I got. I know
20	we're working on a new zoning from what I
21	understand.
22	But this clearly states in here
23	under 5-39 5.711: No off street parking shall
24	be located in the front yard of any residential
25	lot. It's clear. So and for safety reasons

_	
	24
1	of Didge, you see those photos. There's no way
2	a fire truck, an ambulance or someone is going
3	up that alley.
4	I have called the Dunmore Police.
5	They have come up once in a while and adjust
6	the parking. But it's continuous. There's no
7	way to get around this and stop it because the
8	owners can't police it. They're not there
9	every day.
10	And I could call the Dunmore Police
11	a hundred times. And I know there's a three
12	nuisance law. I have been there with the old
13	tenant. I had him thrown out. I had him at
14	Judge Ware's for a hearing. This is an ongoing
15	thing that I don't know how to control. So I'm
16	going to start here with Council.
17	And I have if I have to bring it
18	upon zoning in front of everyone and not just
19	Joe Lorince on the phone, I'd like a little
20	help through what should happen here. I mean,
21	if last night at I think 5:40 I printed that
22	single dwelling. And he's telling me it's not.
23	Any one of us in here could search a
24	deed. It's very easy. So if you guys have an
25	opinion for me I sure would like to take it

	25
1	from here and move on. To me, just on the
2	public borough part it's a big safety issue.
3	MR. DEMPSEY: Is Chief Marchese
4	here?
5	MR. RUGGIERO: He's not.
6	MR. HOULIHAN: I have had Dave
7	Aronica up there personally. He lives adjacent
8	behind me. And he's seen it firsthand. I've
9	had people call me coming up my street and say
10	who is this person because you can't get by
11	them. It's like
12	MR. HAYES: Mike, I'm sorry. That's
13	the vehicle there.
14	MR. HOULIHAN: That was when the new
15	tenants just moved in. They keep parking
16	there. And this is the original patch of
17	grass. And this is the entrance to the two
18	houses right here. I don't know if it's a fire
19	safety of getting in and out of the house.
20	And they're not legal parking spots.
21	I believe in Dunmore it's two spots per
22	apartment. Some say 1.5 parking spots per
23	vehicle. It's tough to define in this book. I
24	have to break it down. But I don't know if you
25	guys could speak to zoning?

MR. DEMPSEY: What I need to do because I'm obviously, you know, this is the first time I'm hearing about it or any of us is to meet with Joe. MR. HOULIHAN: Right. Well, it got to the point where I had to come here. I was hoping Joe Lorince could take care of it but it's not being taken care of. MR. DEMPSEY: What we need to do is, you know, meet with Joe, see exactly what's going on and sort of get a game plan because it isn't it's not safe. MR. HOULIHAN: You could see clearly in the photos. And I probably could take a hundred more. That's just I have video cameras on my house. So it alerts me every time someone either pulls in my driveway and they're sitting there looking at me. I'm like it's posted private. Please move your vehicle. They look at me like I'm an idiot. I didn't pave part of my driveway for other people to park there. It's just none of us would do that. And I would not pull in your apartment, Vince, and park in your driveway going to your neighbor's house.	-	
2because I'm obviously, you know, this is the3first time I'm hearing about it or any of us is4to meet with Joe.5MR. HOULIHAN: Right. Well, it got6to the point where I had to come here. I was7hoping Joe Lorince could take care of it but8it's not being taken care of.9MR. 27 1 And that's what's constantly 2 happening. Because there is no off-street 3 parking. And I don't know if the landlords 4 aren't telling the tenants, you know, there's 5 very little parking here you got to make sure your people come and visit park Chestnut or 6 7 Apple Street. 8 MR. DEMPSEY: Right. Never mind family, 9 MR. HOULIHAN: 10 you know, and right now the people that live 11 upstairs it's two parents and five children. 12 And downstairs is two parents and one children. 13 So you could imagine the traffic in Dunmore 14 going up a one-way street constantly pulling in 15 my property or constantly double parking in 16 that alley or parking in some of the photos 17 that you guys are seeing. 18 MR. HAYES: Can we get signs that 19 say no parking this side of the street since 20 they're both --21 MR. DEMPSEY: Yeah, do you have 22 them? 23 MR. JUDGE: There are signs, right, 24 on the fence? 25 MR. HOULIHAN: There's parking -- I

	28
1	put that on my fence, my personal fence.
2	MR. JUDGE: You want them on poles?
3	MR. HOULIHAN: If you're going to do
4	that, that means that they can't park in front
5	of the house. And I'm great with that because
6	that helps you as the Borough
7	MR. JUDGE: Mike, I'm there once a
8	week just to get our trucks. So if our trucks
9	can't get I know a fire truck can't you
10	know what I mean? He does have a problem.
11	MR. DEMPSEY: I understand. I just
12	want to make sure we go about it the right way.
13	MR. HOULIHAN: Absolutely. That's
14	why I'm here.
15	MR. DEMPSEY: So what we'd like to
16	do is let me meet with Joe Lorince and some of
17	us meet with Joe, see what the issue is, see
18	how we can rectify it. If you can leave us
19	your name and phone number here tonight before
20	you leave.
21	MR. HOULIHAN: Absolutely. I'll
22	leave you the photos. Pass them onto Joe.
23	That's just a few.
24	MR. HAYES: I can get them back to
25	you.

	29
1	MR. HOULIHAN: Thanks.
2	MR. DEMPSEY: We'll follow up with
3	you when we have more information and what
4	we're able to do, okay?
5	MR. HOULIHAN: Absolutely. Thank
6	you.
7	MR. DEMPSEY: You're welcome. Who
8	else?
9	MS. ZANGARDI: Beth McDonald
10	Zangardi. I came here tonight to clarify a few
11	questions I have about the sewer problem with
12	Scranton and now Dunmore. And my one request
13	is out of the 50 lawyers that were hired to do
14	this, does anybody know how many represented
15	Dunmore?
16	MR. DEMPSEY: Yes.
17	MS. ZANGARDI: How many?
18	MR. DEMPSEY: Mr. Cummings, one.
19	MS. ZANGARDI: One, one lawyer
20	represented Dunmore. So Dunmore is only going
21	to get 20 percent out of the substantial amount
22	of money if we have any left over with the
23	easements, correct?
24	MR. DEMPSEY: We already received 20
25	percent. Are you talking about the money that

1 was set aside? 2 MS. ZANGARDI: The leftover money. 3 MR. DEMPSEY: Yes. 4 MS. ZANGARDI: The 17 percent comi 5 back. We get 20 percent of that, correct? 6 MR. DEMPSEY: Correct. 7 MS. ZANGARDI: Do we know now I 8 know with the escrow and it's all in 9 litigation. However, with the escrow money a 10 the easements, it's up to over 600 easements. 11 Is there well, here's my real question. L 12 me just cut to the chase. 13 Mrs. Dempsey of Scranton Council 14 requested a meeting with Shrive and a couple 15 other lawyers. I'm asking our Council if the 16 would do the same to look into lines, how lon 17 it's going to take, you know, the progress	30 ng

17 it's going to take, you know, the progress	g
18 line, if it's going to be a year, how long do	I
19 we have to wait for this money.	
20 And my real concern is that money	is
21 a lot of money to move forward with our	
22 community. It could pay for roads, stop sign	S,
23 you know, upkeep on Borough buildings and	
24 properties. So I really am requesting that	
25 Council move forward and also meet with	

	31
1	Scranton Council like Mrs. Dempsey requested
2	with Shrive Attorney Shrive to get something
3	concrete for us so we have answers and we don't
4	lose this money.
5	MR. DEMPSEY: I'm on the Sewer
6	Authority. It has been requested. I've had
7	numerous conversations with Jason as well as
8	Attorney Cummings has. That is forthcoming.
9	And we have a meeting with the Sewer Authority
10	this well, I have a Sewer Authority meeting
11	Thursday. And I will make that request again.
12	And Jason has told me that there is
13	no problem if Borough Council representatives
14	attend the meeting as well. So we will have
15	updated numbers.
16	MS. ZANGARDI: If Borough Council
17	members meet in that meeting as well? Is that
18	what you said?
19	MR. DEMPSEY: Sure.
20	MS. ZANGARDI: Secondly, what are
21	what is the how much in danger are we of
22	losing all of this money or any of it?
23	MR. DEMPSEY: I don't want to
24	speculate. But the attorneys are very well
25	aware of that issue and are working to

-	
	32
1	actively working to resolve it. I don't want
2	to give just because it's in litigation, I
3	don't want to say anything that I'm not
4	supposed to. But they're well aware of the
5	issue. And it's being actively worked on.
6	It's not going to
7	MS. ZANGARDI: Is there a specific
8	deadline when we lose this money? Is there a
9	specific date when this money gets lost?
10	MR. DEMPSEY: I haven't seen the
11	actual addendum agreement. Tom, do you want to
12	address that because I think it's December
13	31st.
14	ATTY. CUMMINGS: There were two
15	dates. One was if we did nothing then in two
16	years it terminated. And the my
17	recollection is that Pennsylvania American
18	Water would then have the right to stand in the
19	stead of the Sewer Authority and utilize the
20	money to acquire the easements.
21	A class action was approved, a class
22	declared and that extended that date. Offhand
23	right now I can't tell you what that extension
24	date was or is. But I did call Jason Shrive
25	today again. The Sewer Authority office was

closed.

2	So I got nothing there. He is going
3	to provide an update to Mr. Dempsey and I this
4	week. There is a lot of things that cannot be
5	discussed at a public meeting because it would
6	jeopardize our good position. At the end of
7	the day though I think I would suggest that
8	we prepare a spreadsheet so that everyone would
9	understand the risk and benefits that went
10	through the process that it was good judgment
11	and we are in safe position.
12	MS. ZANGARDI: Safe position as in
13	not losing the money safe position?
14	ATTY. CUMMINGS: Correct and
15	minimizing the exposure while at the same time
16	making sure that those who had lost property
17	and were never compensated received their just
18	compensation with the balance coming back to
19	the City of Scranton and the Borough of Dunmore
20	and their proportionate shares of 80/20.
21	MS. ZANGARDI: Okay. Just two other
22	things. One is for the current Sewer Authority
23	office staff, who's paying them for their
24	services? Is it Pennsylvania American Water or
25	is the Borough and the City of Scranton? Does

	34
1	anybody know? Because they don't work for us
2	anymore. It's dissolved according to and
3	I'm going by reading the newspaper articles.
4	According to the newspaper, the
5	Scranton Sewer Authority is now dissolved. So
6	do we have any idea where the salaries are
7	coming from? It really shouldn't be coming
8	from the backs of the taxpayers of Dunmore or
9	Scranton.
10	ATTY. CUMMINGS: I can't speak
11	for with certitude but my recollection was
12	that there was a fund set up to continue the
13	operation of the Sewer Authority until all
14	matters were concluded. The two matters that I
15	know about are the easement litigation.
16	And there is also an escrow account.
17	I don't know because I haven't been there. I
18	don't know if it's cleared or if it's still
19	pending. There was an interest-bearing escrow
20	account set up for a quote, trueing up was the
21	phrase that they had used that at closing
22	certain representations were made regarding
23	amounts due, amounts payable, different
24	obligations and all of that was calculated into
25	the final closing amount. And then there was a

35 1 set-aside to protect both sides as a cap that if, in fact, you know if eight months out it 2 3 turned out that this was not a receivable, this 4 was not a payable that a project was not at the 5 status it was represented that anybody that should draw on it would be made whole out of 6 7 that escrow. 8 I have not seen a draw on that 9 And my recollection is that it would escrow. 10 require both the Sewer Authority and 11 Pennsylvania American Water to agree to 12 distribute funds out of that escrow account. 13 It was nowhere near the amount that was set 14 aside for the easements. But it was -- the 15 accountants that worked for I think Ingersoll, 16 is it? 17 MR. DEMPSEY: Buchanan. 18 ATTY. CUMMINGS: Yeah, Buchanan 19 Ingersoll, they had set it up where it was an 20 appropriate amount to protect both sides to 21 allow the closing to go through on 12/31 of 22 that year. Also, today I asked Jason Shrive 23 for a copy and status of that. 24 And I haven't been involved in two 25 But when Mr. Dempsey called me, you vears.

	36
1	know, he and I had talked about three months
2	ago that especially the trueing up one we
3	should be at the closing date of that. And if
4	it hadn't occurred it should occur shortly.
5	And then the easement we just have
6	to be careful. You don't want to make a
7	mistake where you lose another a million
8	dollars or you shortchange a property owner who
9	has been harmed. And, you know, the easement
10	is not where the sewer line comes into your
11	property.
12	But in like July and August of
13	the closing year, the ones I was familiar with
14	were in Dunmore where just the Sewer Authority
15	took over the lines in 1968. But there were
16	lines that went all the way back to the turn of
17	the century.
18	So at the time they didn't have the
19	sophistication of the different pumping
20	stations or grinder pumps. And basically to
21	get rid of outhouses and cesspools and septic
22	tanks that were probably at that time because
23	of small lot size, they just put lines wherever
24	they reasonably could.
25	So there's a lot of people I know

	37
1	there was folks over off of Wheeler Avenue.
2	There's some up where the old neighbor meets
3	Swinick Development where, you know, they went
4	to dig for a pool and there was a sewer line.
5	So they lost the use of half of
6	their backyard but had never been compensated
7	for it. Do we know what happened in 1910 when
8	it went in, we don't. So all of that came up.
9	Unfortunately they certify a class which is a
10	little bit more expensive litigationwise.
11	But everybody that had lost I
12	think there's three categories. One is that
13	there's no impact. The second category
14	proposed is it's a line servicing houses but in
15	the property. So if it runs behind four
16	houses, that's the second category.
17	And the third would be a line that
18	has nothing to do with the property in question
19	but just for some convenience went through a
20	property. I know there's a building off of
21	South Washington Avenue in Scranton where a
22	large commercial building. But if you go down
23	the cellar, there's a 36 inch sewer line that
24	goes right through the basement.
25	So that's the three categories. So

	38
1	everybody would be made whole. We did offer
2	prior to closing to split it up, like, we would
3	take the responsibility for the Dunmore
4	easements. And Scranton would take
5	responsibility for the Scranton easements.
6	But since we only had one of five
7	votes that never really went anywhere. So it's
8	still being handled by the Sewer Authority.
9	And it is coming to either an agreed closure or
10	more court action and go ahead.
11	MS. ZANGARDI: The Dunmore one is
12	coming to our Dunmore easements are coming
13	to a closure. Is that what you mean?
14	ATTY. CUMMINGS: No, the whole
15	matter should be wrapped up if the class
16	settles out. But I'm not involved in that. So
17	I don't want to speak to it.
18	MS. ZANGARDI: Right. Right. So
19	you did mention the fund from the PA American
20	Water, the sale is what's paying the salaries;
21	am I correct on the
22	ATTY. CUMMINGS: No, I think there
23	was a reserve fund maintained by the Sewer
24	Authority to continue operation in the Sewer
25	Authority.

	39
1	MS. ZANGARDI: Correct. Did that
2	money come from the sale or is that money still
3	coming from the taxpayers; do we know?
4	ATTY. CUMMINGS: My recollection is
5	it was a bank out of the sale that was not
6	distributed to municipalities. But I'm not
7	sure. That's my recollection. But these are
8	things that within the next week we can check.
9	MS. ZANGARDI: Okay. So can I come
10	back the next meeting and ask?
11	ATTY. CUMMINGS: Oh, sure.
12	MS. ZANGARDI: Great.
13	ATTY. CUMMINGS: Well, at the
14	discretion of Council. I didn't mean to
15	misspeak, yeah.
16	MR. DEMPSEY: Absolutely, yeah.
17	MS. ZANGARDI: Okay. All right.
18	Thank you.
19	MR. DEMPSEY: You're welcome.
20	MR. CLARK: Pat Clark, Jefferson
21	Avenue in Dunmore. My first question is
22	regarding going back to Miss Cuff's question
23	about the ordinance. What is the Borough's
24	standard process for presenting ordinances for
25	signature to properly enter an ordinance? What

	40
1	is our standard process?
2	MR. DEMPSEY: Tom, standard process
3	for
4	ATTY. CUMMINGS: Historically and
5	preceding me and currently it would be
6	presented for signature after the meeting. And
7	then within 30 days signed and put into the
8	Borough ordinance book which makes it valid.
9	MR. CLARK: So we're at 25 days or
10	so now from the last one. Was it planned to
11	present it within the next five days I assume?
12	These are all (inaudible) was it planned within
13	the next five days to
14	MR. RUGGIERO: Do you know what the
15	problem is, we can't hear with that going.
16	ATTY. CUMMINGS: Chris, can you turn
17	that off?
18	MR. DEMPSEY: Yeah, I believe
19	I've asked Vito and I think Vito had posed the
20	question to Tom as to whether or not this
21	ordinance needed to be sent to Mayor Burke
22	for based on the Borough Code. I don't know
23	what the answer to that is.
24	ATTY. CUMMINGS: And I already said
25	I would give you a written opinion on the veto

1 and everything that was presented this evening. 2 MR. DEMPSEY: Okay. 3 MR. CLARK: I'm going before the 4 veto. The standard proces has to be that an 5 ordinance has to be presented to both Council 6 and the Mayor, correct? 7 ATTY. CUMMINGS: I don't know that. 8 MR. 	25	that. We haven't done that.

	0
	42
1	ATTY. CUMMINGS: Have I done that?
2	MR. CLARK: What's the Borough's
3	process legally? What do we do?
4	ATTY. CUMMINGS: Well, I just said
5	historically it's been it's voted on at the
6	meeting. Everybody has a copy at the meeting.
7	And then during the course over a 30-day period
8	those who are obliged to sign it sign it.
9	MR. CLARK: Okay. So in the next
10	four days or so we should get the ordinance
11	that was voted on presented to both Council and
12	then the Mayor for their signature.
13	ATTY. CUMMINGS: I haven't written
14	an opinion on whether or not the Mayor's
15	signature is required or if the veto is
16	enforceable.
17	MR. CLARK: So the veto is separate
18	from presentation of ordinances. Every
19	ordinance has to be presented to the Council
20	and Mayor. Is that is that
21	ATTY. CUMMINGS: I don't know. I'll
22	research that also.
23	MR. CLARK: What do we do with other
24	ordinances?
25	ATTY. CUMMINGS: I think I told you.

	43
1	MR. CLARK: So we don't present
2	them.
3	ATTY. CUMMINGS: I'm sorry?
4	MR. CLARK: We have not presented
5	them historically?
6	ATTY. CUMMINGS: Not to my
7	knowledge, no.
8	MR. CLARK: Okay. So you mentioned
9	you're going to research an opinion. What
10	exactly do you think we're going to be
11	researching
12	ATTY. CUMMINGS: I'm sorry. I can't
13	hear you.
14	MR. CLARK: What exactly would we be
15	researching for the opinion?
16	ATTY. CUMMINGS: Whether the what
17	the format of the presentation should be or
18	should have been and whether or not the Mayor
19	should have been presented with a certified
20	mail copy as opposed to hand at the last
21	meeting and whether or not the veto is
22	effective.
23	MR. CLARK: So theoretically handing
24	Mayor Burke one at the last meeting would have
25	sufficed for presentation? Is that

44 1 ATTY. CUMMINGS: Historically that's 2 how it's always been done. I don't know if 3 that meets the letter of the Borough Code. 4 I'll research that if Mr. Dempsey directs me 5 to. MR. CLARK: Can we also 6 7 theoretically consider from the Borough point 8 of view researching whether or not an 9 insufficient delivery of a proposed ordinance 10 impacts or delays or inhibits in any way a 11 Mayor's right to veto an ordinance? ATTY. CUMMINGS: If Council directs 12 13 me to. 14 MR. DEMPSEY: Yes, I would direct 15 you to do that. 16 MR. CLARK: Solicitor Cummings, 17 have you done any research on this matter at 18 all so far? 19 ATTY. CUMMINGS: I'm sorry? 20 MR. CLARK: Have you done any 21 research on this matter at all so far in terms 22 of a possible veto of an ordinance like we 23 have? 24 ATTY. CUMMINGS: I'm not going to 25 answer that.

-	
	45
1	MR. CLARK: Okay.
2	UNIDENTIFIED WOMAN: Why?
3	MR. CLARK: So does Council have to
4	take I guess it's a Council question. Does
5	Council have the ability to not go along with a
6	solicitor's recommendation how to handle
7	something like a veto?
8	MR. DEMPSEY: I would say if we ask
9	for the legal a legal opinion from our
10	solicitor, the solicitor provides the legal
11	opinion are you asking once we get that
12	legal opinion whether we can
13	MR. CLARK: Do you have to follow
14	it?
15	MR. DEMPSEY: I don't think you have
16	to do it. I don't think you have to follow it.
17	I think as a lawyer myself I'm not sitting
18	up here as a lawyer.
19	MR. CLARK: Right.
20	MR. DEMPSEY: In my personal opinion
21	I would think that if you went against a
22	solicitor's advice and opinion I think that
23	could potentially open you up personally for
24	some sort the litigation against ourselves.
25	I don't know that to be true or a

2know the answer to your question but that's -3MR. CLARK: Okay. So let's say4hypothetically Solicitor Cummings says that,5you know, a Mayor can't veto something in a6zoning ordinance because the Municipal Planni7Codes tends to trump the State Borough Code.8Hypothetically speaking, would the9Council be willing to accept a pro bono legal10analysis of that point under consideration?11MR. 48 1 About six months ago construction was being done inside. We had no idea obviously what was 2 3 going on. 4 We have found out recently that the 5 apartments in there were basically cut in half so that there are almost double the apartments. 6 7 There is a lot of Section Eight which I have no 8 problem with. But in the last six months we 9 have had police and ambulance responses there 10 numerous times. 11 Just last week there was a case 12 where people were up on the roof of the 13 building because they were using bath salts and 14 were whacked out of their mind. I don't 15 understand all the laws. But I do feel that if 16 any major construction is done on a building it 17 is no longer done under the grandfather clauses 18 of construction. Things have to be brought up 19 to date. 20 There are no fire extinguishers at 21 the building. Can you please have zoning look 22 into it and find out what's going on? 23 MR. DEMPSEY: Yeah. What was that 24 specific address, sir -- okay. Anyone else 25 like to address?

1	MS. DEMPSEY: Michelle Dempsey,
2	property owner in Dunmore. Mr. Cummings, I'd
3	just like to ask a question. When we were
4	sitting here Mr. Clark asked you if you had
5	researched the veto. Why can't you say if you
6	researched the veto?
7	ATTY. CUMMINGS: Because it's still
8	in process. I don't answer the question until
9	it's done and am directed to do so by Council.
10	MS. DEMPSEY: Can you just clarify
11	that? I'm not sure why you can't tell the
12	people essentially
13	ATTY. CUMMINGS: Because it's still
14	in process. And I don't do it until I'm
15	completed and directed to do so by Council.
16	MS. DEMPSEY: Sir, what does that
17	mean it's still in process? Like, so you can't
18	say right now if you researched the veto
19	question at all?
20	ATTY. CUMMINGS: No, not until it's
21	completed and I submit it and I'm directed to
22	do so by Council.
23	MS. DEMPSEY: Does anybody
24	understand that? I don't. I find that kind of
25	cloudy. So for the record I'm not getting any

1	further clarification on that.
2	ATTY. CUMMINGS: Not from me.
3	MS. DEMPSEY: Okay. Thank you.
4	MR. DEMPSEY: Yes, sir.
5	MR. KRANICK: Francis Kranick, 227
6	Chestnut Street. In light of the conversation
7	that just took place, is it my understanding
8	that Council can overrule Pennsylvania Planning
9	Code should the solicitor advise them to do so?
10	MR. DEMPSEY: Hypothetically?
11	MR. KRANICK: However you want.
12	MR. DEMPSEY: I'm not sure what
13	you're asking.
14	MR. KRANICK: If Mr. Cummings comes
15	back with an opinion for you and you decide to
16	override the veto, accept the veto or not
17	accept the veto which would cause me pause for
18	a second, if you decide on his recommendation
19	to override the veto or not accept the veto
20	and not proceed on the veto per the
21	Pennsylvania Code, would that fly in the face
22	of the Pennsylvania Code?
23	MR. DEMPSEY: I don't know the
24	answer to that. I'm going to have to wait and
25	see what his legal research says. But there's

-	
	51
1	a Municipal Planning Code and then there's a
2	Borough Code. Is that what you're referring
3	to?
4	MR. KRANICK: The Borough Code
5	states that the Mayor has the ability to veto.
6	MR. DEMPSEY: Correct.
7	MR. KRANICK: Mr. Cummings said that
8	if the veto is actionable or I think something
9	to that extent, he can render a recommendation
10	to Council on your next action. So if the
11	if his recommendation came in and would fly in
12	the face of the Code to render you guys
13	overriding Pennsylvania Code that's what I got
14	out of the conversation. And it seemed to me
15	that might be kind of a slippery slope.
16	MR. DEMPSEY: I think what you're
17	asking is there's a the Borough Code
18	basically says that the Mayor can veto an
19	ordinance. Attorney Cummings is going to
20	research whether or not that is, in fact,
21	correct.
22	MR. KRANICK: Okay.
23	MR. DEMPSEY: Right?
24	ATTY. CUMMINGS: Yes.
25	MR. DEMPSEY: And if he, in fact,

	52
1	says the Mayor does not have his opinion is
2	that a Mayor does not have the right to veto
3	an ordinance and if we follow that advice, does
4	that fly in the face of the Borough Code that
5	says the Mayor can't veto? Is that what your
6	question is?
7	MR. KRANICK: Right.
8	MR. DEMPSEY: Yeah, I think yeah,
9	I think obviously it would conflict with the
10	Borough Code. If the Borough Code says the
11	Mayor can veto and his legal search and opinion
12	says he can't, then, yeah, they obviously
13	conflict.
14	MR. KRANICK: Okay. Well, that's as
15	long as it it hit me the wrong way.
16	That's
17	MR. DEMPSEY: Yeah, they obviously
18	conflict if that's the case, yeah.
19	MR. KRANICK: Right. The other
20	question is, I don't know how many ordinances
21	come across your table every year. Have I
22	guess past practice, has every ordinance that's
23	come across the table been sent up been signed
24	by everybody who is supposed to be seeing it
25	per the code? Like, has the Mayor been

1 presented that? 2 MR. DEMPSEY: I could speak to this 3 I don't know how many -- I have been one. 4 president for almost two years now. I don't 5 think I signed an ordinance while I was president. I could be wrong. 6 I would imagine it 7 MR. KRANICK: 8 doesn't come up all the time. 9 MR. DEMPSEY: It doesn't. But per 10 Tom historically, I guess what he said to Pat 11 Clark before, you know, you sort of pass the 12 ordinance at the meeting. That obviously 13 doesn't get the type of response that this one 14 did. And normally the ordinance is at the 15 Borough Building. And it would be in Vito's office 16 17 very informal and you sign the ordinance. I'm 18 not sure if I ever did that as president. 19 Maybe one other time, I don't recall 20 specifically. 21 MR. KRANICK: I understand that. 22 MR. DEMPSEY: It was never like 23 delivered or certified mail or anything like 24 that. 25 MR. KRANICK: I could appreciate

53

	54
1	that they don't come up all the time. Very
2	good. Thank you.
3	MR. DUNCAN: I've got to ask the
4	question. It's not Borough Code that we're
5	discussing though. This is Pennsylvania
6	Municipal Code; is that correct? I just need
7	that for edification sake. We're using the
8	terminology Borough Code. Isn't this
9	Pennsylvania Municipal Code that we're
10	referring to?
11	ATTY. CUMMINGS: There is two.
12	There's the Borough Code and then there's the
13	Municipal Planning Code.
14	MR. DUNCAN: Which one super
15	which is the top one? Under Pennsylvania
16	Municipal Code is that the code that spells out
17	the Mayor has the right to veto?
18	ATTY. CUMMINGS: No.
19	MR. DUNCAN: That would be precedent
20	setting that would be the precedent setting
21	or not?
22	MR. DEMPSEY: That's what Attorney
23	Cummings is going to be researching.
24	MR. DUNCAN: Okay. And then one
25	last question. How many of the easements that

	55
1	we're discussing for the Scranton Sewer
2	Authority, how many easements are in the
3	Borough of Dunmore? Do we have an idea?
4	ATTY. CUMMINGS: We did. I can't
5	spit the number out now. But there was we
6	split them out and we tried to just take care
7	of them ourself. That's in the closing
8	document filed. It's at the Sewer Authority
9	has a list of all the easements.
10	I think there's 600. They're dubbed
11	critical easements that had to be resolved for
12	the final distribution of funds. And they
13	were the ones I recall in the Borough, some
14	were on municipal properties we try to resolve.
15	There was Grove Street, Wheeler Avenue and then
16	up on the old neighborhoods near Swinick.
17	They're the ones that I recall.
18	MR. DUNCAN: There's three that
19	we're discussing, right?
20	ATTY. CUMMINGS: Yeah, well, there's
21	a complete list by property number and address
22	of everything that of all of them. And then
23	we split the Borough ones out.
24	MR. DUNCAN: Where would we find the
25	easements? I looked everywhere online. I

56 1 can't find anything that discusses where the 2 easements are based on municipalities. 3 ATTY. CUMMINGS: Well, the recorded 4 easements are at the Recorder of Deeds office. 5 These 600 are the ones that were not recorded. So there is no record of them other than on the 6 7 GPS mapping at the Sewer Authority a line 8 appears. 9 And then when you go to the courthouse if you take the Duncan property back 10 11 to 1900, there's no recorded easement to the 12 Sewer Authority or the Borough of Dunmore for a 13 sewer line. So then that would become one of 14 the 600 critical easements that we then had to 15 resolve by filing. 16 So they're all known. I believe 17 every one maybe six months prior to closing got like an offer letter that fell apart. I think 18 19 it was \$100. 20 MR. DUNCAN: That was the number they quoted. 21 ATTY. CUMMINGS: 22 Yeah. 23 MR. DUNCAN: They said it could 24 escalate. 25 ATTY. CUMMINGS: Yeah, so it could

57 1 go up depending. And that was the basic. So those letters went out from the list of 600 or 2 3 SO. So at the Sewer Authority either at Mr. 4 Dempsey's request which should suffice, you 5 know, that list could be made available online because it's a public document. 6 7 MR. DUNCAN: Just a few more if you 8 can bear with me. We're on a clock -- I don't 9 know if it was Mr. Dempsey or Mr. Cummings 10 we're on a clock then for December for the 11 resolution of the Sewer Authority concerns, 12 correct? We have a meeting -- there's a 13 meeting Thursday night at the Scranton Sewer 14 Authority has a meeting scheduled. That's open 15 to the public, correct? 16 MR. DEMPSEY: Correct. 17 MR. DUNCAN: If there's a clock, if there's a deadline on all of this stuff because 18 19 the Scranton Sewer Authority to the best of my 20 estimation and the things that I've looked at 21 we had numerous meetings cancelled, Sewer 22 Authority meetings. I believe they were 23 cancelled June. I believe July was cancelled. 24 I don't think there was a meeting August. 25 September, nothing.

	58
1	So this will be our first meeting.
2	If it continues to be cancelled, where does
3	that put us then in terms of it's ambiguous,
4	correct, it's up in the air? So this meeting
5	Thursday, it's definitely on?
6	MR. DEMPSEY: It's scheduled right
7	now. But what happens is there's five people
8	and now there's four people on it. And a lot
9	of people's schedules conflict. And you don't
10	always have a quorum, especially when there's
11	really there's not a lot of business other
12	than, you know, pending litigation which is
13	sort was at a standstill.
14	Again, I don't want to comment on
15	the status of litigation because I don't want
16	to risk anything. But we're very as I told
17	Miss Zangardi, they're very aware of what the
18	deadlines are and are working to get it
19	resolved. That meeting is Thursday and at
20	5:30, correct?
21	MR. DEMPSEY: Yes.
22	MR. DUNCAN: Okay. That's on the
23	second floor of the municipal building in
24	downtown Scranton, correct?
25	MR. DEMPSEY: Yeah, the Governor's

	59
1	Room I think it's called on the second floor.
2	MR. DUNCAN: I'll see you Thursday.
3	Thank you very much.
4	MR. DEMPSEY: Thank you. Yes, sir.
5	MR. CLARK: I have to go pick up my
6	daughter at soccer. Pat Clark, Dunmore.
7	Solicitor Cummings, a couple years ago during
8	the landfill contract negotiations you recused
9	yourself from that matter. Would you consider
10	recusing yourself from this matter?
11	ATTY. CUMMINGS: I don't recall.
12	MR. CLARK: The contract
13	negotiations. You either recused or withdrew
14	from the negotiations of that contract.
15	ATTY. CUMMINGS: I don't recall ever
16	recusing myself.
17	MR. DEMPSEY: It was 2014.
18	ATTY. CUMMINGS: I don't recall ever
19	recusing
20	MR. CLARK: That's why Attorney
21	Jones came in.
22	ATTY. CUMMINGS: I don't have a
23	recollection.
24	MR. CLARK: Would you consider doing
25	so in this matter if you feel conflicted on

	60
1	this issue in any way?
2	ATTY. CUMMINGS: I do not.
3	MR. CLARK: Is that a matter that
4	Council could decide on having someone else
5	research this issue?
6	ATTY. CUMMINGS: Council can do
7	whatever they want.
8	MR. CLARK: Okay. Thank you.
9	MR. DEMPSEY: Thanks, Pat.
10	Mrs. Cuff.
11	MS. CUFF: Sharon Cuff, Spring
12	Street, Dunmore. Just really quick. I was
13	just wondering if Council was advised prior to
14	the hearing that was held on the amendment
15	proposed by KSL, were you advised that you
16	never had to have that hearing nor did you have
17	to vote?
18	MR. DEMPSEY: Not to my recollection
19	we weren't. We were at the hearing when I
20	think you brought it up.
21	MS. CUFF: Okay. But prior to that,
22	that was the first you heard of that?
23	MR. DEMPSEY: I believe so, yes.
24	MS. CUFF: Would have you liked to
25	have been advised of that?

1 2 3	61 MR. DEMPSEY: I would have. MS. CUFF: Okay. Thank you. MR. DEMPSEY: Sir? MR. TORBECK: Can I just do it from
2	MS. CUFF: Okay. Thank you. MR. DEMPSEY: Sir?
	MR. DEMPSEY: Sir?
3	
Ŭ	MR. TORBECK: Can I just do it from
4	
5	here? William Torbeck.
6	MR. DEMPSEY: She's the boss not me.
7	MR. TORBECK: Thank you for your
8	time. William Torbeck, Dean Court. I have
9	been living in Dunmore for 15 years now. I
10	just wanted to get an update on where we are
11	with the rain tax. I don't know if I missed
12	anything. I know I came in late. But I want
13	to see where we're at with the rain tax right
14	now where the Borough stands. This would be in
15	the Council's hand if I'm not mistaken?
16	The rain tax? Don't tell me you
17	never heard the rain tax that Luzerne County
18	was hit with a rain tax through the EPA and it
19	was a the Chesapeake we don't know what
20	the rain tax is? Are you kidding me?
21	MR. AMICO: I've heard of the rain
22	tax. It hasn't been
23	MR. TORBECK: Okay. Would it be in
24	Council's hands? I'm asking a question. Have
25	you heard of it? It's been on the radio. It's

62 1 been on the --2 MR. AMICO: I'm trying to answer 3 vou. I was in the --4 MR. TORBECK: So there's been discussions. We know what the rain tax is. 5 Citizens, do we know what the rain tax is? 6 7 Yes, thank you, the Chesapeake basin. Yes, 8 we're aware of it, yes? 9 MR. AMICO: Correct. 10 MR. TORBECK: What is the latest 11 news on --12 MR. HALLINAN: I would assume if you 13 don't me interrupting -- the county takes the 14 lead on that. And then it will be handed out 15 or whatever they're going to do. I have no 16 clue. We were not presented with anything 17 about that. 18 MR. TORBECK: I'm surprised I didn't 19 get a better answer. MR. AMICO: Well, you haven't given 20 us a chance to give an answer to be honest with 21 22 You just keep saying rain tax. vou. 23 MR. TORBECK: You never heard of it. 24 MR. AMICO: No, you're saying that 25 we haven't heard of it. I have heard of it. Ι

_	
	63
1	listen to the radio. I know what you're
2	talking about.
3	MR. TORBECK: And there
4	MR. AMICO: Again, can I maybe say
5	something? Is that possible?
6	MR. TORBECK: I appreciate it.
7	MR. AMICO: Are you sure? Okay,
8	cool. Yes, I've heard we've all heard of
9	the rain tax. It has not come in front of
10	Lackawanna County yet. Okay, it's been in the
11	news in Luzerne County. It hasn't come to
12	Lackawanna County yet.
13	We haven't been presented any
14	information on the rain tax yet. So I do see
15	signs up in the Borough, you know, question the
16	rain tax. Again, it's not an issue that's come
17	in front of us as of yet.
18	MR. TORBECK: That's the reason why
19	I'm asking because I'm starting to see signs.
20	MR. AMICO: Correct.
21	MR. TORBECK: That's all. And I
22	know Scranton I know that we're all aware of
23	where they're at in Scranton. If they create
24	an authority, then, like, the domino falls that
25	way in this area so I'll leave it at that.

	64
1	Okay. Thank you. I appreciate it. I didn't
2	mean to press it but it's very concerning.
3	MR. AMICO: It's concerning. But
4	when we're asked a question it would be nice to
5	be able to respond.
6	MR. TORBECK: I agree.
7	MR. DEMPSEY: Anybody else like to
8	address Council tonight?
9	(No response.)
10	MR. DEMPSEY: Seeing none.
11	ATTY. CUMMINGS: Public officials.
12	MR. DEMPSEY: Public officials.
13	Mr. Hayes?
14	MR. HAYES: Sure. Thank you, Mr.
15	Chairman. I want to personally thank the
16	Dunmore Fire Department, especially Chief
17	DeNaples. There's been two fires on South
18	Blakely Street in the last week. I was present
19	when the one garage went up and just watching
20	their professionalism, their dedication to
21	getting that resolved, being able to save a
22	nearby apartment unit along with a church. The
23	caretaker's home is there as well.
24	So it's horrible that we have these
25	structure fires in Dunmore. But having watched

-	
	65
1	firsthand the professionalism, the magnitude of
2	which they were able to respond, Chief was on
3	scene as well. I think I tried to walk around
4	and thank all the guys personally for, you
5	know, how fast that they tackled the situation
6	and contained it.
7	But I wanted I would be remiss if
8	we didn't talk about the positive as well.
9	Chief, thank you to you guys and your
10	department. That's all I have, Mr. Chairman.
11	MR. DEMPSEY: Thank you. Mr. Amico?
12	MR. AMICO: I just want to
13	congratulate Mr. Price on being the newest
14	member of the Dunmore Fire Department. That's
15	all I have for tonight. Thank you.
16	MR. DEMPSEY: Mr. Hallinan?
17	MR. HALLINAN: Thanks for coming
18	tonight, Chief. I know it was a day off for
19	our Borough employees. But, you know, usually,
20	Mike, Joe's here at every meeting and the
21	Chief. They just weren't here tonight. But
22	usually, you know, 100 percent attendance.
23	So we'll look into that I'm sure.
24	We've had a lot of parking problems. Parking
25	in front lawns on Green Ridge Street is a pet

	66
1	peeve. That's all I have tonight. Thank you.
2	MR. DEMPSEY: Chief DeNaples, do you
3	have anything?
4	CHIEF DENAPLES: I have nothing.
5	Thank you.
6	MR. DEMPSEY: Didge, do you have
7	anything?
8	MR. JUDGE: No.
9	MR. DEMPSEY: Chris?
10	MR. KEARNEY: No.
11	MR. DEMPSEY: Vito?
12	MR. RUGGIERO: No. Just, sir, stop,
13	give me your information and I'll follow up on
14	it.
15	MR. DEMPSEY: Mayor Burke?
16	MAYOR BURKE: Yes, I spoke to
17	American Water two weeks ago. And we have some
18	good news up at the reservoir. Bernie McGurl
19	is going to take control up there along with
20	he's going he actually had some volunteers
21	from Dunmore which tried to form a committee
22	and everybody knows Bernie how he is along the
23	waterways. So I was happy to hear that.
24	And Mr. Delvecchio is going to help
25	him out and they're going to try to form a

r	
	67
1	committee and I'll keep people informed on how
2	things are moving on that. But thank you,
3	Bernie and for Mark (inaduible) for allowing
4	putting somebody in Carl's shoes. Carl did a
5	lot for us. That's all I have tonight. Thank
6	you.
7	MR. DEMPSEY: Attorney Cummings.
8	ATTY. CUMMINGS: Nothing.
9	MR. DEMPSEY: Okay. I don't have
10	anything. So with that being said I'll look
11	for a motion to adjourn.
12	MR. HAYES: I'll make that motion.
13	MR. DEMPSEY: Second?
14	MR. HALLINAN: I'll second it.
15	MR. DEMPSEY: All in favor?
16	ALL MEMBERS: Aye.
17	MR. DEMPSEY: Opposed?
18	(No response.)
19	MR. DEMPSEY: Ayes have it and so
20	moved. We are adjourned.
