4 1 ALL MEMBERS: Aye. 2 MR. MCHALE: Opposed? 3 (No response.) 4 MR. MCHALE: The ayes have it and so moved. 5 ATTY. CUMMINGS: Item number six is 6 a motion to approve the final 2017 budget. 7 For the record purpose, I note the budget was 8 9 advertised for a 30 day period and a copy was available at the Borough Building for public 10 11 inspection. I'll make that 12 MS. SCRIMALLI: 13 motion. 14 MR. DEMPSEY: Second. MR. MCHALE: I have a motion and a 15 16 second. On the question. 17 (No response.) 18 MR. MCHALE: All those in favor 19 signify by saying aye. 20 ALL MEMBERS: Aye. 21 MR. MCHALE: Opposed? 22 (No response.) 23 MR. MCHALE: The ayes have it and so 24 Quickly on the question, you'll see in moved. 25 item number seven the tax rate for the current

Г	
	5
1	year will be the same as last year. We
2	balanced our budget with income of \$11,488,597
3	matching the expense of that amount. We
4	considered this a very conservative budget on
5	the revenue end.
6	And a very I don't want to say
7	aggressive, but, you know, we think we've
8	captured everything in the expense column as
9	well. There are a couple items we're still
10	working on refinancing to lower rates
11	continues. We always beat up our insurance
12	carriers both health and workers comp and so
13	on. That's continuing.
14	But it can only go down at this
15	point. So a lot of hard work went into this.
16	We're very, very for the sixth or seventh
17	year in a row there will be no tax increase in
18	Dunmore. A couple years ago we had a tax
19	reduction. We hope to do that again in the
20	very near future.
21	We're proud that one more year, at
22	least the sixth in a row since I've been here
23	that there will not be a tax increase. Anybody
24	else on the question?
25	(No response.)

	6
1	MR. MCHALE: All those in favor
2	signify by saying aye.
3	ALL MEMBERS: Aye.
4	MR. MCHALE: Opposed?
5	(No response.)
6	MR. MCHALE: The ayes have it and so
7	moved.
8	ATTY. CUMMINGS: Item number seven
9	is a motion to approve the 2017 tax ordinance;
10	General obligation 20 mills; Debt service 19
11	mills; Pension services half a mill; Public
12	Street lighting 1 mill; Fire equipment and
13	training 2 mills; Firefighting services 1 mill;
14	Rescue services one half of one mill totaling
15	44 mills.
16	MR. MCHALE: I'll look for a motion.
17	MR. DEMPSEY: I'll make that motion.
18	MS. SCRIMALLI: I'll second that.
19	MR. MCHALE: I have a motion and a
20	second. On the question.
21	(No response.)
22	MR. MCHALE: All those in favor
23	signify by saying aye.
24	ALL MEMBERS: Aye.
25	MR. MCHALE: Opposed?

	7
1	(No response.)
2	MR. MCHALE: The ayes have it and so
3	moved.
4	ATTY. CUMMINGS: Item number eight
5	is a motion to waive the Refuse Fee for
6	calendar fiscal 2017.
7	MR. MCHALE: I'll look for a motion.
8	MR. BURKE: Motion.
9	MR. HALLINAN: Second.
10	MR. MCHALE: A motion and a second.
11	On the question, this is what we eliminated a
12	few years ago. We are not as a formality, we
13	are not reinstating it again for the current
14	year. It was the \$150 per household fee that
15	again is not being reenacted for this budget
16	season. Anybody else on the question?
17	(No response.)
18	MR. MCHALE: All those in favor
19	signify by saying aye.
20	ALL MEMBERS: Aye.
21	MR. MCHALE: Opposed?
22	(No response.)
23	MR. MCHALE: The ayes have it and so
24	moved.
25	ATTY. CUMMINGS: Item number nine is

1 2 3 4 5	8 a motion to authorize borrowing from First National Community Bank in the amount up to one
2 3 4	
3 4	National Community Bank in the amount up to one
4	
	million dollars at an interest rate not to
5	exceed 1.6 percent for the 2017 that Tax
J J	Anticipation Note.
6	Approval will authorize the
7	President of Council and Borough Solicitor to
8	take all actions necessary to bring this matter
9	to fruition. We'll not for the record, this
10	will be tantamount to a line of credit.
11	MR. MCHALE: I'll look for a motion.
12	MS. SCRIMALLI: I'll make that
13	motion.
14	MR. DEMPSEY: Second.
15	MR. MCHALE: I have a motion and a
16	second. On the question, this is again the Tax
17	Anticipation Note we get every year. We rarely
18	use a lot of it. But we do it in form of a
19	line of credit similar to what you would do in
20	your home.
21	You could see based on what Scranton
22	got compared to what we got 4, 5 percent a heck
23	of a lot of cost. And we get 1.6 with minimal,
24	if any, cost on our line of credit. Again, we
25	have done this every year and pay it off pretty

9 1 quickly. It's a -- we're hopeful we never 2 3 have to use our TAN. But realistically until the taxes start rolling in, in February, March, 4 5 and April, this sometimes covers in a cash flow 6 situation, so very, very good rate once again. And that's again a testament to our 7 8 getting our financial house in order that 9 we're very proud of. So anybody else on the question? 10 11 (No response.) 12 MR. MCHALE: All those in favor 13 signify by saying aye. 14 ALL MEMBERS: Aye. MR. MCHALE: Opposed? 15 16 (No response.) 17 MR. MCHALE: The ayes have it and so 18 moved. ATTY. CUMMINGS: Item number 10 is a 19 20 motion to amend and approve the borrowing 21 ordinance. You had at a prior meeting 22 authorized the borrowing at the bulk of 23 \$9,400,000. Since that time you renegotiated 24 the rates of some existing debt. So that's no 25 longer necessary to borrow.

	10
1	We also have recaption 5 million
2	dollars of the new borrowing specifically for
3	pension fund. All of this changed all to the
4	Borough's benefit but requires amendment to the
5	ordinance by Council so the same may be
6	submitted to the state and go with the loan
7	package.
8	MR. MCHALE: I'll look for a motion.
9	MR. HALLINAN: I'll make that
10	motion.
11	MR. MCHALE: Second.
12	MR. DEMPSEY: I'll second it.
13	MR. MCHALE: I have a motion and
14	second. Again this is what I spoke of earlier.
15	This is and we've had to read this because
16	we changed terms and renegotiated terms to the
17	betterment for Dunmore, bring the rates down.
18	We're refinancing a lot of our debt.
19	Some of the debt is going to be used
20	to push money into our pension plan, which is
21	in essence debt. Our unfunded liability is
22	debt. So the more we are able to put in the
23	pension our MMO, our Minimum Municipal
24	Obligation goes down even more so.
25	So it's a mathematical equation to

	11
1	try to get there and because we can get very
2	good rates and putting some money into the
3	pension plan, it helps even more so for the
4	Borough.
5	It helped us before. We've looked
6	into it again. And based on our lending
7	capabilities we think this is a very good move.
8	And again, we continue to negotiate the rate
9	lower and lower as they are available. So
10	we're able to use those savings from prior
11	borrowings and put them into the pension plan
12	and/or capital improvements that are sorely
13	needed. So anybody else on the question?
14	(No response.)
15	MR. MCHALE: All those in favor
16	signify by saying aye.
17	ALL MEMBERS: Aye.
18	MR. MCHALE: Opposed?
19	(No response.)
20	MR. MCHALE: The ayes have it and so
21	moved.
22	ATTY. CUMMINGS: Item number 11 is a
23	motion to adopt Resolution 11 of 2016 for the
24	submission of a Keystone Community Grant
25	application for the Lackawanna County

12 Redevelopment Authority for funding to 1 revitalize and improve the downtown business 2 3 district currently known as Dunmore Corners. MR. MCHALE: I'll look for a motion. 4 MR. VERRASTRO: 5 I'll make that motion. 6 7 MR. AMICO: I'll second it. 8 MR. MCHALE: I have a motion and a 9 On the question. Vince, do you want second. 10 to -- this has been yours. Do you want to say 11 anything on this? 12 MR. AMICO: Just basically what 13 we're looking to try to redevelop the corners, 14 bringing -- really the sky is the limit as far as what we can do with the corners, new 15 16 sidewalks, revitalize the downtown facades. 17 But this specifically is just to get the ball 18 rolling in order to get the architectural 19 drawings and renderings. So this is just the 20 first step and look of hopefully a bigger and 21 brighter downtown. So that's what this motion 22 is for. 23 MR. MCHALE: Thanks. Vince. 24 Anybody else on the question? 25 (No response.)

	13
1	MR. MCHALE: All those in favor

3	ALL MEMBERS: Aye.
4	MR. MCHALE: Opposed?
5	(No response.)
6	MR. MCHALE: The ayes have it and so
7	moved.
8	ATTY. CUMMINGS: Item number 12 is
9	public comment and we'll start with Gary
10	Duncan.
11	MR. DUNCAN: Gary Duncan, 117 Barton
12	Street, Dunmore, PA. I spoke to Chris or
13	Chris spoke to me before the meeting just a
14	reminder for next week for the neighborhood
15	watch meeting we have Judge Margaret Moyle from
16	the Court of Common Pleas who's going to be
17	joining the neighborhood watch next week to
18	discuss the new Domestic Violence Program in
19	Lackawanna County and Billy McCarthy who is the
20	Lackawanna County Director of Probation and
21	Parole who is going to discuss pretrial
22	services here in the Lackawanna County criminal
23	courts.
24	So if we're not going to be here
25	next week if somebody can get in touch with me

24 signs. They can't make people drive slower.	22	I don't know there is no miles
	23	per hour signs I know. People don't read
25 But the simple fact of the matter is that area	24	signs. They can't make people drive slower.
	25	But the simple fact of the matter is that area

	15
1	there was a sign there I believe at one time.
2	The sign is gone that had the 25 miles per
3	hour. And I don't think there's anything up
4	even higher.
5	Tom, I always look to you because I
6	know you worked for PennDOT. I don't know, you
7	have a lot of experience in this area. I don't
8	even know if we can get, like, a slow it's
9	that S turn. They whip around there. I don't
10	know what you do.
11	He had a handicap customer and the
12	guy went to pull out and the customer almost
13	got clipped. So I don't know what we do. It's
14	just he's just totally frustrated, Mr.
15	Genovese. And that's a long-time community
16	barber shop. It was his dad's for God's sake.
17	Mr. Genovese is no kid.
18	MR. HALLINAN: The speed limit is 25
19	miles per hour. And they only have to be every
20	half of mile. So what we can do is ask to put
21	up a ask the state to look at maybe with
22	that turn there, maybe they could put up like a
23	cautionary did you ever see the yellow speed
24	limit but more or less a slower speed. Maybe
25	they could put up something 15 or something,

16 whatever they would think. 1 He even asked you know 2 MR. DUNCAN: 3 lights up by Holy Cross he even said can we get something like that. I said I could ask 4 5 Council. I don't know about that. I just wanted to bring it up tonight. 6 MR. HALLINAN: 7 That's because of the 8 school. 9 MR. DUNCAN: I said I'd ask. MR. HALLINAN: We can ask them to 10 11 see if they would put something to just slow 12 them down through there. 13 MR. DUNCAN: Okay, thanks a lot. 14 Anyway and the other thing is and I know Gerard Hetman is not here tonight. Back in May I had 15 16 written a request for a Community Reinvest 17 Program Grant to the County Commissioners. And 18 they are not here tonight. Mr. Hetman is not. 19 I want to pubically thank them. 20 They gave us a grant for \$10,000 for the 21 Dunmore Historical Society, which they should 22 really be another one of the gems of the 23 Borough. And it will help us with insulation 24 with gutters on that building. 25 I wish Gerard was here to hear it.

24 year?	22	found out any more information regarding the
	23	leachate spills in April and October of this
25 MR. AMICO: October is still under	24	year?
	25	MR. AMICO: October is still under

18 1 investigation. MS. CUFF: And still haven't 2 3 received that formal notice of violation other 4 than from me? MR. AMICO: 5 Not to our knowledge. MS. CUFF: Okay. And again, I told 6 7 you guys I did ask for all the information 8 related to both and they told me I would get it December 23rd. I'll share it with you as soon 9 10 as I get it. 11 Next question, I was wondering if 12 Council received any notices on violations of 13 the Clean Air Act this year 2016? 14 MR. MCHALE: Mrs. Cuff, not to my knowledge. Vito, I know you've only been back 15 16 a little while. 17 MR. RUGGIERO: Not since my return. 18 I can try to reach to see if anybody has it 19 anywhere else. But I didn't see anything. 20 MS. CUFF: Okay. So I have been 21 doing a little searching on the various web 22 sites that are available regarding the Keystone 23 Sanitary Landfill. So there is data on the 24 landfill air emissions. And you could find 25 those on the Pennsylvania Department of

19 1 Environmental Protection. They are publically available on eFacts, which is where you know we 2 3 usually find most of the information. And they have other websites as well. And one of them 4 5 is called Echo, which is Enforcement and Compliance History Online. 6 7 And again, all of this is available 8 online for anybody. It's public information. 9 So in doing so searching on these websites, it 10 appears that there were two violations this year in 2016 of the Clean Air Act. The most 11 12 recent was on November 30th. 13 And that's the more significant one. 14 And it's titled HPV history, HPV equals High Priority Violation. So it's a federally 15 16 reportable violation. I really can't tell you 17 what the violation is because as much as I was 18 digging, I didn't actually find which 19 particular pollutant or what the source is at 20 this point. 21 And today honestly I just did not 22 have the opportunity during my workday to 23 contact EPA and DEP to find anymore out. But I 24 wanted to see if you guys were aware and if you 25 received notice.

	20
1	The other violation took place on
2	March 25th, 2016. So again, type of action,
3	notice of violation. So I will leave this with
4	you guys. But basically I'm wondering is this
5	Council taking active steps to look into and to
6	continually ask questions from the federal and
7	state agencies regarding issues like this since
8	we found out that you weren't notified the last
9	time? Are we actively pursuing anything with
10	these agencies?
11	MR. MCHALE: You're looking at me.
12	I've spoken to the DEP as I told you I believe
13	last meeting on several occasions in regards to
14	the prior the issue that has been brought
15	up. And my main problem there is that we were
16	never notified that you stand up there, you
17	have a copy of a letter addressed to us that
18	was never received.
19	And everything is cataloged that
20	goes into that Borough Building. And I know
21	Vince is constantly on top of as are other
22	members are too. But, you know, I know you're
23	looking for specifics that I personally don't
24	have.
25	MS. CUFF: Right, well, I guess now

-	
	21
1	given that we have more violations that our
2	Borough Council isn't notified of, I would
3	think that you will be even more outraged just
4	as we are because we need to
5	MR. MCHALE: When you're saying we,
6	are you speaking on a group, Mrs. Cuff?
7	MS. CUFF: We as in the Borough
8	Council on
9	MR. MCHALE: I didn't know if you
10	were speaking on behalf of a group.
11	MS. CUFF: Nope, I'm speaking on
12	behalf of a resident of the Borough of Dunmore
13	who is concerned about the air quality, the
14	water quality, soil, all of it.
15	MR. MCHALE: Absolutely.
16	MS. CUFF: That's what I'm speaking
17	to. So I'm going to as you know, I'm going
18	to keep digging.
19	MR. MCHALE: Please do.
20	MS. CUFF: I'm asking that all
21	Council members each one of you take time, look
22	at these websites, contact whoever you need to
23	contact EPA, DEP, you know, your Congressman,
24	your State Senators, whoever you feel would be
25	most beneficial to get answers for all of us on

	22
1	this very critical issue. It would be greatly
2	appreciated.
3	MR. MCHALE: Absolutely.
4	MS. CUFF: Okay? Thank you.
5	MR. MCHALE: Thank you, Mrs. Cuff.
6	MS. SCRIMALLI: Thank you.
7	MR. AMICO: What was the November
8	date?
9	MS. CUFF: November is November
10	30th, 2016, and March 25th, 2016.
11	MS. SCRIMALLI: What was name of the
12	website?
13	MS. CUFF: Echo. This is under the
14	EPA. The EPA'S website if you go in and you
15	look under Echo, which stands for Enforcement
16	and Comply History Online. I could give you a
17	copy of this.
18	MR. HALLINAN: What I'm asking,
19	Sharon, is did the federal government, EPA go
20	up there and test the air or something and find
21	violations that we weren't notified about?
22	MS. CUFF: I don't know if they are
23	self-reporting or if they went up and did the
24	inspection. I haven't gotten that far. All I
25	know is I have the document saying that. And I

consider myself a Dunmore girl born and raised 1 in Swinick's, great childhood up there. 2 And 3 although I moved for the last 15 years to a house just outside of Dunmore, I never really 4 5 left, came back every Sunday for mass at St. Mary's, take my clothes to Sack's for 6 tailoring, and (inaudible) Cara Mias. 7 8 In October, I moved back to Dunmore 9 because like my parents, I wanted to raise my 10 children my six-year-old daughter and an 11 eight-year-old daughter in Dunmore. 12 Financially, I am now a residential taxpayer of 13 the Borough and so I thought the Borough might 14 be happy to have me back too. In addition, I'm co-owner of Dempsey 15 16 Uniform and Linen Supply. And I employ 21 17 Dunmore residents who like myself partially depend on their livelihood for -- from 18 19 customers like the Dunmore Borough. Today as I 20 came through here in the community center, I 21 walked over ten mats which used to be mine from 22 a company called Cintas which is a 4 billion 23 dollar pubically traded company based out of 24 Cincinnati. 25 And on Sunday night, my six-year-old

	25	MS. ODONNELL: Have you spoken to

1	him?
2	ATTY. CUMMINGS: I have not.
3	MS. ODONNELL: Okay, so, then you
4	don't really know what's going on there, do
5	you? If you have not spoken to him, you do not
6	know if there is anything in that regard.
7	ATTY. CUMMINGS: In what regard?
8	MS. ODONNELL: In with regard to
9	litigation. I'm not asking about Dempsey right
10	now. I'm asking about the decision that was
11	made to use the services here. And my question
12	was, when and where was the decision made by
13	Council to use Cintas' services.
14	ATTY. CUMMINGS: I could go through
15	the file and prepare a written report. You
16	could answer at your option. It's not public
17	debate. It is public comment.
18	MR. MCHALE: What's your
19	recommendation, Tom? I want to answer any
20	questions she has, but you tell me.
21	ATTY. CUMMINGS: You would be free
22	to answer in generality the procedure. But
23	with due respect, I request that if you have
24	questions to a particular contract that you
25	afford me the opportunity to at least talk to

	28
1	Larry Durkin and then respond to anything you
2	have.
3	MS. ODONNELL: I'm not asking about
4	anything with regard to Dempsey Uniform and
5	Linen. I'm trying to understand how the
6	Borough would make a decision here with a
7	particular vendor for services that they have.
8	I'm not sure why that would be something
9	secretive.
10	MR. MCHALE: It's not secretive.
11	But when you threaten with litigation with
12	all due respect I want I'll answer anything
13	you want.
14	MS. ODONNELL: No, you're not
15	answering it.
16	MR. MCHALE: Then go ahead. Ask the
17	question. I'll answer it.
18	MS. ODONNELL: My question is, when
19	and where was the decision made by Council
20	MR. MCHALE: About two months ago we
21	chose to and, Tom, cut me if I'm we chose
22	to look at bids.
23	MR. DEMPSEY: I thought we're
24	talking generalities. Or are we talking about
25	a specific decision or about a general?

_	
	29
1	MS. ODONNELL: I'm talking about
2	when and where
3	MR. MCHALE: So you are talking
4	about Dempsey.
5	MR. DEMPSEY: So you're talking
6	about the carpets.
7	MS. ODONNELL: No, no, I'm not
8	asking anything about
9	MR. MCHALE: By the way, Dempsey
10	does every other building as well.
11	MS. ODONNELL: That is not my
12	question. My question is about the mats I see
13	here and my question is when and where did
14	Council decide to use Cintas' services?
15	ATTY. CUMMINGS: There is a record
16	being created.
17	MR. MCHALE: That's what I
18	MR. DEMPSEY: I don't want to answer
19	questions.
20	ATTY. CUMMINGS: I would not shoot
21	from the hip. If you're not specifically aware
22	of the time and date and who was present then
23	reserve the right to respond to it.
24	MS. ODONNELL: Can I ask if it was
25	at a Council meeting that the decision was

30 made? 1 2 ATTY. CUMMINGS: My response would 3 be blank with everything. MR. MCHALE: Pardon me. Tom? 4 ATTY. CUMMINGS: 5 My response, if you don't know, then certainly accept the question 6 7 and formulate a response when you have your 8 information. 9 MR. MCHALE: I mean, obviously on 10 his guidance, I'll get you specific answers as 11 you ask the questions. 12 MS. ODONNELL: So you won't answer 13 as to whether a decision on a vendor was made 14 at a Council meeting? MR. MCHALE: Tom. 15 16 ATTY. CUMMINGS: Again, accept --17 we'll accept the question and then they will 18 prepare a response. I don't recall when it was 19 made, how it was made. I don't. And I only 20 miss one meeting --21 MS. ODONNELL: We're talking at most 22 eight meetings, right, you said two months ago 23 so was it made at a Council meeting is my 24 question. MR. MCHALE: I don't recall. 25

	31
1	Honestly, I'm not I don't recall if it was
2	specifically at a meeting.
3	MS. ODONNELL: Did the Borough
4	did someone sign a contract for the services?
5	MR. MCHALE: Ma'am, you're trying to
6	get me on the record on something that to me
7	you're setting up litigation. And I have
8	counsel here telling me not to do so.
9	MS. ODONNELL: I don't see how
10	this I'm asking very specific not about
11	anything about a contract with Dempsey or
12	Dempsey services. I'm asking about a vendor
13	that
14	MR. MCHALE: But you're representing
15	yourself from Dempsey. They were my contracts.
16	With all due respect
17	MS. ODONNELL: I'm not asking about
18	that contract or its validity or anything
19	about it.
20	ATTY. CUMMINGS: I would suggest at
21	this point because it looks like it's going to
22	go on back and forth that you submit a Right to
23	Know request and in five days they'll answer in
24	writing.
25	MS. ODONNELL: Okay. Here is the

1 Right to Know request which I will give a control to each of the members of Council as well as the Solicitor. 3 the Solicitor. 4 MR. MCHALE: By the way, your hom is absolutely gorgeous. 6 MS. 17 of G and S Car Wash on 114 Monahan Avenue.	I
18 have been in business there for 35 years. A	nd
19 tonight I would like to talk to you about th	е
20 condition of the roads that lead out of my	
21 place of business and how difficult it is to	
22 make a living cleaning vehicles with the	
23 conditions of the road.	
24 I have some pictures here I would	
25 like Council to look at. These are pictures	of

33 1 the road right in front of my place, right in front of the old Verizon -- it's the Verizon 2 3 building. Anybody who uses my facility has only one way to get out of there. And that's 4 5 to go down Monahan Avenue where it intersects with Reeves Street. 6 7 If they go right, they could head 8 back to Swinick's and to Drinker Street, that 9 They go left, they could go around the area. 10 Industrial Park and come out by Sheetz. That's 11 the only way that a tractor-trailer could exit 12 our place. We have eight truck bays there. 13 And the average guy who spends \$20 14 cannot get back to the O'Neill Highway without getting dirty because of what is on that road. 15 16 If there was a light at the top of Monahan 17 Avenue which back in 1995, PennDOT talking with 18 me and three other business owners they had 19 said they were going to do that when they 20 reconfigured that road. And they never did 21 that. 22 So cars that exit my place who don't 23 want to go down through the dirt on the road, 24 they take a left and go up through the Big Lots parking lot and that shouldn't be. It puts a 25

burden on their parking lot.

It puts their customers at risk. There should be a light there. And I being the distance that I am from the O'Neill Highway, PennDOT said that I really don't have any say in that. But since 1995, we have now a car dealership there. We also have a hotel there. And we also have a very busy clinic next to our facility. All of this extra traffic I think

deserves at least a traffic study to show the merits of this. Getting back to the conditions of the road, especially Reeves Street, if anybody goes there now, they should see what a deplorable condition that road is in. The sides of the road are higher than the road itself from all the dirt and whatever.

18 It's got many pavement cuts. It's 19 got potholes. And right where Monahan Avenue 20 meets Reeves Street, it's very bad there too. 21 If you don't know right where the dip is, 22 you'll be bouncing your head off the ceiling of 23 your vehicle. And I don't know if Council has 24 any plans to pave but -- or grants to do that. 25 But those roads need to be

-	-
	35
1	addressed. So that's why I'm here. I'm
2	looking for answers. I'm looking for help
3	because if things continue the way that they
4	are, I'm not going to be in business much
5	longer.
6	Every year your business has to
7	grow. And ours continues to decline because
8	just the other day I had a guy now, I know
9	we have a bad situation with Dunham Drive being
10	collapsed. And I know that they are trying to
11	fix that. But it's not this is the worst
12	situation right now with Dunham Drive being
13	closed because the garbage trucks come in and
14	out of there.
15	And some of them go right up through
16	the Big Lots parking lot. And again, that
17	should not be. PennDOT needs they had a
18	chance to do something when they reconfigured
19	that road and they didn't do it. And I know
20	that they said they don't want to do anything
21	because it would slow traffic coming off of
22	that in the morning.
23	But it's not right to make
24	everything go around through that parking lot
25	and use that light. So that's why I'm here.

-	
	36
1	MR. MCHALE: Tom, do you have any
2	MR. HALLINAN: Yeah, we'll request a
3	traffic study. I think like you said, you
4	recognize the problems, the off ramp coming for
5	Throop and then the short distance between
6	there and Monahan Avenue. That's probably what
7	they're looking for left turns. You could go
8	up and make a right. But you can't make a
9	left.
10	And that's the problem that
11	we'll request a traffic study. I understand
12	your plight. I also want to ask you from these
13	pictures, has this increased since the road has
14	been damaged and you're getting more traffic
15	and more dirt is carrying in through like that?
16	MR. EDWARDS: Obviously, I mean the
17	landfill is looking to expand. The farther
18	these trucks have to travel into the landfill,
19	the more dirt they accumulate, the more dirt
20	they accumulate on there, the more they bring
21	out into the Borough.
22	MR. HALLINAN: Yeah, well, what I'm
23	looking at is could we send a letter and have
24	them maintain that street up there since there
25	is an increase in truck traffic there because

-	
	37
1	of that entrance where they came in obviously
2	it's incumbent upon them to keep that street
3	clean, which we would do anyway. But I think
4	we should go through the guy that's up there.
5	They're creating all of this traffic
6	coming through your area and making the street
7	dirtier. And as far as paving, yes, we are
8	I'm sure we've talked about paving programs.
9	And again, I had other streets in mind. But I
10	think Mr. McHale said to me when we were
11	discussing putting paving is the Industrial
12	Park is a mess.
13	MR. MCHALE: Mr. Edwards, I
14	frequent
15	MR. DEMPSEY: I'm there with both of
16	our cars too. I know the problem, believe me.
17	MR. MCHALE: It's the road up
18	there is just you're right. You have to
19	check your fillings once you go up that road.
20	And the ruts in it are we have to do
21	something up there. That I think is something
22	that all of this Council this budget does
23	have capital improvements in it and a paving
24	program.
25	Is it going to be a 2 million dollar

1paving program, no. But I do think your area2is definitely a priority because of a lot of3the runoff is an issue. I think those roads4were put in. 25 MR. MCHALE: No, but they shouldn't	24	clean by ticketing them. You can't do
	25	MR. MCHALE: No, but they shouldn't

be going down your road is my point. At this 1 point, they should go up to the road where the 2 3 State Police is. Forgive me, I don't even know the name of that road. And that was -- the 18 4 5 wheeler should not be going down cutting to Big 6 Lots. 7 MR. SCOTT: And the same -- that's 8 true, okay. But the same trucks that are 9 creating that mess -- see, there is no clean 10 way to get from Monahan back there because the 11 trucks are using Reeves Street. And they are dropping mud. So anybody that comes out of my 12 13 place clean -- the other day a guy spent \$30 14 and washed his tractor and trailer. And he left and he got to Reeves 15 16 And the landfill trying to clean the Street. 17 road up, they had that big water tank and they flushed the road. Well, the last thing that 18 19 somebody wants to see after they spent \$30 20 cleaning their truck is to see a flooded 21 street. 22 And he came back and, you know, he 23 reamed me out. And it's not -- I don't like 24 being yelled at for something I have no control

of.

25

39

	40
1	MR. MCHALE: Right.
2	MR. EDWARDS: And so that's why I'm
3	here. There has to be something there has
4	to be something done, you know, whether it's
5	the landfill has to rinse their trucks off
6	before they leave
7	MR. AMICO: I think one solution
8	will be that the landfill does have a truck
9	wash. And it shouldn't be I believe it
10	shouldn't be incumbent on the Borough.
11	MR. MCHALE: It should be mandatory.
12	MR. AMICO: It should be because
13	what they're carrying out of the landfill
14	ultimately, you know, theoretically could end
15	up in your house. For example, if you lived in
16	Swinick's just a simple thing. If you lived
17	in Swinick and you drove down Reeves Street and
18	pull your car directly into your garage, now
19	you're tracking that into your house and that
20	shouldn't be.
21	MR. MCHALE: I agree.
22	MR. AMICO: And you're tracking it
23	through Borough roads. And you are creating
24	more of a mess in front of a gentleman's
25	property which it shouldn't be incumbent on the

	41
1	Borough to take care of that. It should be
2	fixed where the problem originates, I believe.
3	MR. MCHALE: Couldn't agree more.
4	MR. BURKE: Also the water spays
5	that he has, all they do is block up our storm
6	basins which our rate payers have to end up
7	paying to get cleaned out. So the waters give
8	us absolutely nothing but give us higher rates
9	with our sewer bills.
10	We have to send men up there to
11	clean them out. There should be street
12	cleaners the landfill should have street
13	cleaners going up there at least 10 or more
14	times a day because it's a dust storm if you
15	drive up that road no matter what time of the
16	year it is.
17	MR. EDWARDS: They used to use a
18	product that was calcium based product to keep
19	the dust out. And I know this because there
20	was a man that came into our facility and he
21	said I asked him how he was and he said, oh,
22	not good. He said because the landfill isn't
23	going to use my product anymore.
24	That is when they started to use the
25	water truck to keep the dust out. And that

	42
1	water truck may be, you know, a cost effective
2	way for them to deal with keeping the dust
3	down. But instead of dealing with dust, now
4	you're dealing with mud.
5	MR. MCHALE: Vito, do you think you
6	could go meet with Mr. O'Brien and bring
7	Mr. Edwards' concerns?
8	MR. RUGGIERO: Sure.
9	MR. EDWARDS: Mr. O'Brien knows my
10	concerns.
11	MR. MCHALE: Can you speak on behalf
12	of Council? I don't want to speak for
13	everybody but I think I do that everybody
14	agrees that there's issues up there that need
15	to be addressed immediately.
16	MR. RUGGIERO: Sure.
17	MR. MCHALE: And on a positive note,
18	I have been telling you this for two years
19	every time the once a week I see you
20	cleaning my car. We are having a street
21	sweeper state of the art delivered, this week?
22	ATTY. CUMMINGS: Before the first of
23	the year.
24	MR. MCHALE: Not that it will be out
25	in the winter but we'll be over helping, I

1 promise. 2 MR. EDWARDS: Thank you. MR. MCHALE: Thank you. 3 MR. MCGRAW: 4 I have something. Jim 5 McGraw, Delaware Street. Point of information that I would like to receive if you have any 6 7 answers on it is the impact fee that the 8 drillers up in the other counties -- the gas 9 drillers, there's an impact fee that they pay into I believe the state. 10 11 And road damage up in that 12 neighborhood as I understand it I called Kevin 13 Haggerty, I've been laid up for a month. Ι 14 didn't get the answer. But if there's money available up in that area for roads, damage, 15 16 and other problems that the gas drillers 17 caused, well, you have any number of their 18 trucks entering that dump that come in with the 19 residue that we don't know if it's healthy or 20 not to start with, but these vehicles do come 21 to the dump up there. 22 And when they come, that they must 23 have an impact on this community. And if the 24 rural areas -- you hear them fixing sidewalks, 25 fixing roadways, you have maybe a \$300,000

43

1	
	44
1	problem up on the dump road, right, that you're
2	looking for money for; and if this money is
3	available in the state now, one that I did
4	call they said, well, maybe there would be
5	legislation.
6	You can't wait for legislation
7	because right now you're not going to get
8	anything approved against the oil and fuel
9	companies, you know. It doesn't look in the
10	foreseeable future that you get anything out of
11	Harrisburg.
12	So what you have to go after is the
13	legislation that is already in. And if there
14	is an impact fee, why can't we get money out of
15	it because it does affect us directly, not just
16	indirectly.
17	So, you know, somebody that has the
18	authority to seek this information, maybe it's
19	available. Maybe we can get money and help
20	this gentleman out. But like I said, if I was
21	up around, I'd have some figures for you.
22	Thank you.
23	MR. MCHALE: Thank you, Mr. McGraw.
24	MR. DEMPSEY: Thanks.
25	MR. MCHALE: I think it's a good

	45
1	idea worth looking into. Anybody else like to
2	address Council tonight?
3	(No response.)
4	MR. MCHALE: Seeing none.
5	ATTY. CUMMINGS: Public officials.
6	MR. MCHALE: Mr. Ruggiero, do you
7	have anything?
8	MR. RUGGIERO: No.
9	MR. MCHALE: Attorney Cummings?
10	ATTY. CUMMINGS: No, sir.
11	MR. MCHALE: Mr. Judge?
12	MR. JUDGE: No, sir.
13	MR. MCHALE: Mr. Kearney?
14	MR. KEARNEY: Nothing.
15	MR. MCHALE: Chief DeNaples?
16	CHIEF DENAPLES: Nothing tonight.
17	MR. MCHALE: Did I miss anybody?
18	Vince, do you want to start us off tonight?
19	MR. AMICO: Very quickly, Sharon,
20	I'll e-mail Colleen tonight when I get home
21	regarding this issue and also regarding the
22	truck wash. And everybody have a nice holiday.
23	Thank you very much for coming tonight.
24	MR. MCHALE: Mr. Hallinan.
25	MR. HALLINAN: Tommy, can you tell

	46
1	me you were going to get a report on the
2	delinquent refuse fees that we had outstanding?
3	ATTY. CUMMINGS: Yeah, the profit
4	versus loss for the year shows that we had
5	optimistically stated 25,000. But we're
6	already at \$40,000. We're at 162 percent
7	collections. I presume that will keep going
8	up. And then when the final letters go out,
9	we'll revisit the matter. And then Council can
10	decide if they want to file a lien which adds a
11	significant cost not property of the Borough
12	but costs at recording, etc. So we're 40
13	grand.
14	MR. HALLINAN: Thank you. Also,
15	Vito, you'll request a traffic study from
16	PennDOT over at Monahan and O'Neill Highway?
17	We want a traffic study there, please.
18	MR. MCHALE: Yeah.
19	MR. HALLINAN: And also I want to
20	thank the DPW for one, picking up all the
21	leaves. My God, just driving around the sixth
22	ward, you deserve a metal for that. And the
23	snow removal, your gentlemen did an outstanding
24	job. It got a little dicey there the other
25	night. Thank you for doing a good job. And I

I	Π
	47
1	would like to just say thank you to Mike McHale
2	for working very hard on this budget.
3	And, you know, it's pretty eye
4	opening when you see the numbers and the unions
5	and dealing with everything that goes on here.
6	And I just want to say thank you, Mike, for the
7	hard work you put in, the countless hours.
8	That alone is a savings without hiring somebody
9	to do what you do.
10	And it's, you know, you helped this
11	town out. I'm very thankful for what you do.
12	And I would like to thank everybody for coming
13	and say Merry Christmas to everybody. Thank
14	you.
15	MR. MCHALE: Thanks, Tom. Attorney
16	Dempsey.
17	MR. DEMPSEY: Yeah, very quickly,
18	I'm glad, Chief, that you're here. Last night
19	I was at the same basketball camp that
20	Mrs. O'Donnell referenced when I got a text
21	message on my phone that I get all the fire
22	calls that come in.
23	And it happened to be my address
24	while I was sitting here. We had a we a
25	little bit of mishap meaning my wife but I

	48
1	won't admit you guys were terrific. I tried
2	to thank every one of them. I couldn't get to
3	all of them. It looked like the entire block
4	was on fire.
5	So I apologize to the neighbors.
6	But thank you. You guys were terrific and
7	please pass along my gratitude. That's all I
8	have.
9	MR. MCHALE: Thank you, sir.
10	Mr. Verrastro.
11	MR. VERRASTRO: I have nothing
12	tonight.
13	MR. MCHALE: Mr. Burke.
14	MR. BURKE: Yes, Vito, I was
15	wondering if you could check into everything
16	Mr. McGraw said about the impact fee if there
17	is any way to recover any of that money.
18	And also, a street cleaner is really
19	in need for Mill Street very badly. If you
20	drive up Mill Street with all the work that's
21	going on there, same thing, you can't go up
22	that street with a clean car when another car
23	is going down another way.
24	If we can get something up there to
25	get that street cleaned at least once a day

	49
1	while they are doing this work up there because
2	it's really bad. And I would like to wish
3	everybody a Merry Christmas. Thank you.
4	MR. MCHALE: Thanks, Tim.
5	Mrs. Scrimalli.
6	MS. SCRIMALLI: I would also like to
7	thank the DPW Department and Didge for a great
8	job on the roads. It was incredible. It was
9	so dangerous. We appreciate you so much. And
10	also, Chief, with the fire department you guys
11	are great. Thank you so much. And I would
12	just like to thank everyone for coming and have
13	a great Christmas.
14	MR. MCHALE: Thanks, Mrs. Scrimalli.
15	I did get that text too. Literally, a pizza
16	box caught on?
17	MR. DEMPSEY: Yeah.
18	MR. MCHALE: I did most of the
19	speaking tonight so I'll be quick. Mr. Judge,
20	I talk to you all of the time. And I couldn't
21	thank you more for everything that you have
22	done specifically, you know, it's easy for us
23	to try to get you the equipment that you have.
24	But when you have guys to get out
25	and do the work like you guys have done

50 1 comparing -- when I left my home today and 2 driving through Scranton seeing the difference 3 as you go across the line, it is unbelievable 4 and still is unbelievable. 5 So thank you. Please pass it along to your men and continue your hard work. 6 Ι 7 assume we're okay with salt and everything, I know you're always on top of that. 8 Didge? 9 MR. JUDGE: Yes, we just ordered 10 some today. 11 MR. MCHALE: All right. With that, 12 I wish everybody a happy holidays and I'll look 13 for a motion to adjourn. 14 MR. DEMPSEY: Motion. MR. MCHALE: Second? 15 16 MR. HALLINAN: Second. 17 MR. MCHALE: All in favor? 18 ALL MEMBERS: Aye. MR. MCHALE: We're adjourned. 19 20 21 22 23 24 25
