	25	MR. AMICO: Sure.	

1       MR. ROGATO: Last time I was here         2       took a copy of the different bills and stuff.         3       There seems to be a little pattern. I'm         4       looking at places like in town Andy's Auto         5       Service, \$600. Brian's Auto Service, \$140.         6       And then you have Maus's Garage LLC, \$7,500.         7       MR. WOLFF: Maus.         8       MR. ROGATO: Where's that at?         9       MR. WOLFF: He's down off of Green         10       Ridge Street. He handles our police cars.         11       MR. ROGATO: Seven thousand dollar         12       versus \$500 and \$140, Brian's and the garages         13       in town that are inspection garages can't         14       handle our police cars? There's a big         15       difference between         16       MR. WOLFF: That's where we send         17       them, yeah, because they are also Ford         18       authorized. I don't know if I'm using the         19       right term. But he's affiliated with Wayne         20       County Ford. So he could handle a lot of that         21       work because they're all Fords.

17	MR. WOLFF: Number eight, motion to
18	authorize borrowing in an amount of up to one
19	million dollars at the best available market
20	rate for the 2024 Tax Anticipation Note.
21	Approval will authorize President of Council,
22	the Financial Chair and Solicitor to take all
23	actions necessary to bring the matter to
24	fruition.
25	MR. AMICO: I'll look for a motion.

1	MR. HALLINAN: I'll make that
2	motion.
3	MR. AMICO: I have a motion. Do I
4	have a second?
5	MR. DEMPSEY: Second.
6	MR. AMICO: I have a motion and a
7	second. On the question?
8	MS. BRIER: I just wanted to talk
9	about it a little bit. The Tax Anticipation
10	Note is something that we take out every year.
11	We may or may not use it. It needs to be paid
12	back within the same year. So if we take it
13	out in early 2024, we'll have to pay it back by
14	December, 2024.
15	And Mark has a really good handle on
16	that in terms of paying it back, which we have
17	done in the past. Typically it's because our
18	taxes are a little bit delayed and we typically
19	need it for payroll. But we pay it back as the
20	taxes come in. Does anybody have any questions
21	on that?
22	MR. AMICO: Anyone else on the
23	question? Seeing none, all those in favor.

5	MR. AMICO: I'll look for a motion
6	to waive the garbage fee for 2024.
7	MR. O'MALLEY: I'll make that
8	motion.
9	MS. ZANGARDI: I'll second.
10	MR. AMICO: Motion and a second. On
11	the question? Just as a reminder, we haven't
12	increased our or had a garbage fee since the
13	year 2015. So once again, this year we're
14	waiving the garbage fee. With that being said,
15	all those in favor.

20	MR. WOLFF: Number 10, motion to
21	adopt Resolution No. 10 of 2023 to pursue grant
22	funding from the Appalachian Regional
23	Commission local Access Road grant application
24	for Keystone Industrial Park road improvements
25	in the amount of \$1,604,325.

1	MR. AMICO: I'll look for a motion
2	to adopt Resolution No. 10 of 2023 to pursue
3	grant funding from the Appalachian Regional
4	Commission local access road grant.
5	MS. ZANGARDI: I'll make that
6	motion.
7	MR. AMICO: I have a motion. Do I
8	have a second?
9	MS. BRIER: I'11 second.
10	MR. AMICO: On the question, I'll
11	speak to this. We're seeking grant money in
12	the excess of 1.7 million dollars 1.6
13	million dollars, excuse me, to improve the
14	Keystone Industrial Park Road. It should be
15	enough to get the road squared away from the
16	State Police Barracks to the Dunmore-Throop
17	border.
18	We've already received LSA money
19	\$200,000 for that road and this would be in
20	addition. So Janet and I have been working on
21	this mostly Janet's been working on this for
22	the last six months and it's a lot. And again,
23	if we if all goes well and we get this
24	grant, then one of the most highly travelled
25	roads in the area will be paved and, you know,

11 1 it's a great access road not only for getting in and out of town but for the Industrial Park 2 3 getting up to the Moosic Lake area. It's an 4 important road for us to get squared away. 5 MS. BRIER: We were hoping too, you know, the appearance of it right now is very, 6 7 very bad especially along the edges. It's all 8 broken up. We see people walking particularly 9 from the Maid-Rite factory, and it's hazardous 10 It's dark. There's no lines on the situation. 11 road in places. 12 We want to put in a bike and walking 13 path along with this proposal and some bus 14 kiosks because folks up there sometimes walk to 15 work, sometimes they want to walk on their 16 lunch hours. And again, we're hoping that if 17 it's more attractive looking it will attract 18 businesses. 19 Right now it's not a very attractive 20 place to consider putting your business. So 21 that's why we're doing it. We went out to the state for a million dollars like a year and a 22 23 half ago. We got 200 grand. But that's good 24 because they need -- we can use that as a 25 match.

1They would like us to have some skin1In the game. And we could use that \$200,0003for that. So we're hoping to get this4completed and possibly start working late 2024.5MR. HALLINAN: I'd like to add if I6may, this road we've been trying for years7trying to improve this road. There's drainage8problems, the shoulders are shot, you know,9pedestrian traffic, foot traffic now with10everybody trying to work up there which is good11for the Borough and all.12But we've been trying and trying and13trying and so I just want to thank Vince and14Janet for going this grant route because I15don't think the Borough would ever be able to16afford it on our own. And it's just good for17everybody involved. It's good for, you know,18the Industrial Park businesses.19It's good for the people20transversing that road. 2	second. Anyone on the question?
3	MS. OVEN: I just want to mention so
4	we're looking to get grant money for the
5	pickleball courts to build them in the back of
6	Monroe. We had a lot of interest in
7	pickleball. There's a lot of young people,
8	seniors are playing it.
9	We started having some open play in
10	the mornings for seniors and getting a lot more
11	interest. So hopefully this way we could have
12	tournaments. We could give lessons. We can
13	run camps. It will allow when we do the DCC
14	camps for the kids, it will be something for
15	the kids to do. So another option to get
16	people out moving.
17	MR. AMICO: Anyone else on the
18	question?
19	MR. HALLINAN: Yeah, I'd like to see
20	if they could put ice skating there in the
21	winter when it's not being used as pickleball
22	courts, something they could look at when
23	they're doing their study. I appreciate that.
24	It's another one I've been working on for
25	years. I figured throw it in there.

DEMPSEY: Yeah, on the question, 20 I don't think we've updated it in a couple 21 But it's just a fee structure of what years. 22 we charge to use the field and it's what we 23 charge outside agencies. 24 Obviously anybody from Dunmore is 25 allowed to use it for free whenever they want.

1	I don't think we have a copy available tonight.

22	MS. OVEN: I'll second.
23	MR. AMICO: I have a second. On the
24	question, I'll speak briefly about this.
25	Kyle's has been a member of the fire department

2	part-timer. He's been full time for a number
3	of years. We offered a promotional test a few
4	months ago.
5	He was the top scorer and now he's
6	been promoted to lieutenant. And he's moving
7	up the ranks. And Kyle's a very good
8	firefighter. He's a good guy to deal with and
9	very well deserving. And I'm very proud to be
10	able to be of the group that is promoting Kyle.
11	He did this through the Civil Service process.
12	So everything is, you know, squared away.
13	With that being said I don't
14	think Kyle is here. But I would like to
15	congratulate him. Anyone else on the question?
16	MR. DEMPSEY: Yeah, I'm pretty sure
17	I was here he was one of our first hires in
18	2014. He does an outstanding job. So I just
19	wanted to congratulate Kyle. And, Chief, I
20	know he's not here but if you could pass that
21	along I would appreciate it.
22	CHIEF DENAPLES: Sure.

16	MR. WOLFF: Yes, Mr. McDonough was

19	believe in September.
20	And from Mr. Judge and other members

11	MR. WOLFF: Chief Marchese.
12	CHIEF MARCHESE: For the month of
13	November we responded to 739 calls for service.
14	The number is down 207 calls from the previous
15	month. I have of a breakdown of major calls
16	for Council and the Mayor.
17	Arrests, we had five criminal
18	arrests for the month, three non-traffic, 22
19	traffic arrests, and six written warnings. We
20	still have one officer out on long term out on
21	Heart and Lung. Officer Richardson and
22	Burgette took part in their monthly SWAT
23	training. November 14th, November 7th and 8th
24	Officer Richardson took part in monthly of
25	MOPETC certification classes.

23 1 During the month of November we completed our tactical requirements for MOPETC. 2 3 All the officers are certified now for the 4 We conducted that at YMCA. Officer vear. 5 Giacobbe completed his field training. He's now cleared for active duty. He's actually 6 7 here right now. Congratulations. 8 We also started our Christmas with 9 the Cops Program and we've been receiving a lot 10 of donations. I just want to thank the public. 11 Everything is coming in well so far. That's 12 it. 13 MS. OVEN: If people want to donate 14 for the toys, do they just drop it off at 15 the --16 CHIEF MARCHESE: They could drop it 17 off at our police station. There's a box at 18 Ruddy's Real Estate in the corners, Kost Tire 19 has one and YMCA has one. 20 Thanks for the police MS. BRIER: 21 presence for the tree lighting. 22 MR. WOLFF: Chief DeNaples. 23 CHIEF DENAPLES: Good evening, 24 Council, a brief report for the month of 25 December. The only significant expenditure we

have scheduled for December is a pump generator and chassis service on the rescue truck. It's approximately \$1,450 provided nothing is found on the truck outside of the norm.

As far as overtime shifts being put out for December, there is 466 hours. We still have one full time firefighter out on Heart and Lung injury. There is 67 part time shifts put out for the month. As far as for call volume from December 1st until current at the close of business today, there's a total of 26 calls, one fire type call, nine emergency medical services slash rescue; hazardous material calls were four; service calls were two; good intent calls were two; false alarms, false type calls were seven; and special type incidents was one.

As far as from the code enforcement end, there's been three code enforcement inspections done from the first. One of them was reinspection of the property today. It was successful and that is all I have for tonight if there is no questions.

23 MS. BRIER: Thanks for bringing 24 Santa over and the fire truck. The kids loved 25 it.

1	CHIEF DENAPLES: I would just like
2	to congratulate Lieutenant Stanton. I think he
3	will be great in his new role as lieutenant.
4	ALL MEMBERS: Thanks, Chief.
5	MR. WOLFF: Number 18, public
6	comment.
7	MR. AMICO: Would anyone from the
8	public like to comment this evening? Okay.
9	Nobody?
10	MR. ROGATO: Regarding the paving
11	project that you're working on, you might want
12	to get in touch with Lackawanna Heritage Trails
13	if you are putting a bike path in and stuff
14	like that, April Rogato, my ex-wife, she's the
15	administrator down there. She might be able to
16	help you with that grant.
17	MR. AMICO: Will do. Thank you.
18	MR. ROGATO: Regarding the water
19	issues, I know they're not too big of issues;
20	but oh, Mr. Wolff, thank you for fixing that
21	stop sign by my house.
22	MR. WOLFF: You're welcome, sir.
23	MR. ROGATO: And I left you a
24	message with four other ones up at Chestnut
25	Street. Water issues, behind the Borough

Building where they put the new where the wall comes across, th handicap parking. You have to back.	ere is still no park in the
2 where the wall comes across, th 3 handicap parking. You have to	ere is still no park in the
3 handicap parking. You have to	park in the
4 back.	
5 MR. WOLFF: I did ad	dress that with
6 our office staff. I don't know	if they spoke
7 today. That was late last week	we talked about
8 it. We are going to get proper	signage to say
9 around back and around back	where it says
10 authorized I'm sorry, author	ized access
11 only.	
12 We're going to make	it so it's
13 visible to handicap accessible.	So that I know
14 you bought that up a few months	ago and we
15 didn't get to it yet. But we w	ill be ordering
16 it this week. We're going to g	o with the
17 police department. I don't kno	w what kind of
18 language they want on there for	the signage,
19 but we are addressing it.	
20 MR. ROGATO: The oth	er thing behind
21 the Borough Building is when yo	ou talked about
22 water was, there's a drainage p	oipe that comes
23 out of the dirt in between the	parking lot and
24 the new fire back of the fir	re company. It's
25 discharging water on the sidewa	lk which is

1	freezing.
2	So whoever is walking up that
3	sidewalk has to walk across ice. And the same
4	thing is happening on the intersection of Smith
5	and Butler. Water is running down Butler
6	Street. It's cutting around the corner. And
7	it's going right down my sidewalk.
8	So I just want to let the police
9	department know I'm going to put cones on both
10	ends of my sidewalks because it's impossible to
11	keep it clear. The water is just going down
12	and it's freezing solid. So I'm going to clear
13	a path out right out to the road so the mailman
14	and whoever has access to that door.
15	I had some other issues, but we're
16	going to put that on hold because I think the
17	water issue is more important. I took several
18	of these complaints because I have several of
19	residents in my neighborhood that are coming
20	directly to me with questions, especially the
21	elderly ones.
22	And I'm going sit down with them and
23	help them fill this out regarding the water
24	hike and anyone else that needs any help
25	filling it out, I would be more than happy to

-	
	28
1	help. Thank you very much.
2	MR. AMICO: Thank you, Mr. Rogato.
3	Would anyone else from the public like to
4	comment to Council this evening? Seeing none.
5	MR. WOLFF: Number 19, public
6	officials.
7	MR. AMICO: Mr. Wolff.
8	MR. WOLFF: I would just like to say
9	this looks like it will probably be Vince's
10	last regular scheduled meeting Council
11	meeting. So as they say, thank you for your
12	service. It's been great working with you
13	though all of these years as a firefighter and
14	in my position here. So thank you, Vince. You
15	did great work for Dunmore.
16	MR. AMICO: Thank you.
17	ATTY. PERRY: I would just echo
18	that, Vince, you've been a pleasure to work
19	with and the Borough is losing a good guy on
20	Council, I could tell you that.
21	MR. AMICO: Thank you.
22	MAYOR CONWAY: Same, Vince. You've
23	been unbelievable. You've done so much good
24	that I don't think everybody in the Borough
25	completely understands how much good you've

	29
1	done here. So you'll definitely be missed.
2	I do want to thank Chief Marchese.
3	Your guys were awesome on Saturday at the tree
4	lighting. I don't know how many people we had
5	there, maybe 1,500 maybe 2,000. I don't know
6	how many people it was. But I know we had 500
7	registration tickets to give out to kids and we
8	were sold out by 6:00.
9	So, Didge, same for you. Your DPW
10	guys were awesome. Chief DeNaples, the Fire
11	Department was great to work with. Everybody
12	on Council who came, did the registration table
13	Janet and Katherine, thank you very much.
14	Mike, I know you donated. Trip, you were
15	everybody's been everybody was so great with
16	the event.
17	It was great to see so many kids
18	having that much fun up in the corners and it
19	just being so lively, couldn't have done it
20	without the businesses, everybody who
21	contributed and volunteered. And on top of
22	all that, I know the Dunmore Police Department
23	had their Cram the Cruiser event up there. A
24	bunch of people dropped off toys for that.
25	The VFW had their Toys for Tots

16 MR. AMICO: Mr. O'Malley.	
17 MR. O'MALLEY: Good evening. I j	ust
18 want to say thank you to the Dunmore Busines	S
19 Association, Mayor Max Conway, Cara and Chri	S
20 Lowe and all the volunteers for an outstandi	ng
21 Christmas in the Corners event this past	
22 Saturday.	
23 It was an incredible community	
event. My kids had a blast and it was just	
25 bigger and better than last year. And I car	ı't

	31
1	wait to see the future of the event moving
2	forward.
3	I'd also to like to publically
4	thank Councilman Vince Amico for your hard work
5	for our community. Most people don't know how
6	much work you put in on their behalf over the
7	years and you will be missed.
8	MR. AMICO: Thanks, Trip.
9	MR. O'MALLEY: That's all I have.
10	Thank you.
11	MR. AMICO: Mr. Dempsey.
12	MR. DEMPSEY: Yeah, I'll echo the
13	same thing that everybody said with regard to
14	Christmas at the Corners, fantastic job by the
15	Mayor and Dunmore Business Association. Also,
16	I would like to congratulate Mike Lydon. Mike
17	got the Lackawanna County Drug Task Force, 2023
18	Narcotic's Officer of the Year.
19	That's Lackawanna County, so a bunch
20	of different departments involved in that.
21	Mike does great work. He works tirelessly to
22	keep our streets safe. So I definitely want to
23	thank him for his hard work.
24	And thank Mr. Amico here who's
25	become one of my good friends over the last,

	32
1	what 10 years, 9 years, something like that.
2	Good for you. It's certainly a blessing in
3	disguise I bet. We're definitely going to miss
4	you and Dunmore is going to miss all the hard
5	work you put in. So thank you, appreciate it.
6	MR. AMICO: Thank you. Mr.
7	Hallinan.
8	MR. HALLINAN: I just want to echo
9	everyone. I want to say Merry Christmas to
10	everybody. And, Max, the corners and your
11	committee, it was outstanding. A gentleman
12	said to me it's probably the best thing he's
13	seen in his lifetime up there for children. It
14	was really something. It was great.
15	Congratulations on the promotions
16	that we the hiring and the promotion of
17	Mr. Stanton, very nice. And this one is a
18	tough one. I think me and Michael know Vince
19	the most on this Council. And I just want to
20	say a few words about Vince.
21	He'll probably get mad at me but I
22	didn't know Vince personally until he joined
23	Dunmore Council. As I got to know Vince I
24	learned that he's a hard worker, dedicated
25	person and a person that is very passionate

1 2 3	33 about the things he believes in. As passionate as he is, he's always open minded regarding every issue, not just one but everybody's. Vince took this position on

	open minded regarding every issue, not just one but everybody's. Vince took this position on
3	but everybody's. Vince took this position on
4	
5	Council very seriously and his loss is a tough
6	loss for all of us. An outstanding negotiator
7	and problem solver, Vince has always been an
8	integral part of running our Borough.
9	He gave his heart and soul to the
10	citizens of this town. And he just didn't
11	talk. He made promises and he delivered, which
12	is something to say about people that come and
13	go out of this position. Vince's shoes are
14	going to be very big shoes to fill.
15	I'm sorry to see you leaving
16	Council, Vince. And I wish you all the best.
17	And in 10 years I want to say I feel like we
18	made a very good friendship and I'm going miss
19	you dearly.
20	MR. AMICO: Thank you.
21	MR. HALLINAN: I'm sure I'll be
22	calling you and bugging you because I talk too
23	much here.
24	MR. AMICO: I'll sure you will.
25	MR. HALLINAN: I'll maybe make you

	34
1	the ice skating consultant. Thank you.
2	MR. AMICO: Katherine.
3	MS. OVEN: Thanks for that. I just
4	wanted to first thank Mayor Conway, Cara and
5	Chris Lowe and the Dunmore Business Association
6	for putting on an amazing event on Saturday.
7	We really lucked out the with weather and the
8	attendance was amazing and seeing all the
9	little kids. It was a lot of fun.
10	Thank you to the Fire Department,
11	the police Department, and DPW for all of their
12	hard work organizing it and keeping everybody
13	in line. We appreciated it. And I just want
14	to congratulate Lieutenant Stanton for his
15	promotion; Mr. Williams and Mr. McDonough for
16	their hires. And
17	MR. AMICO: Mrs. Brier.
18	MS. BRIER: Well, I feel the same
19	way. I'm literally heartbroken to lose Vince
20	on this Council. He's never ever missed a
21	meeting in all the years he's here. He's
22	completely and utterly dedicated to the people
23	of Dunmore any time of the day or night or
24	weekends, so easy to work with for us, very,
25	very accepting, very open, wants to hear

1	everyone's opinion.
2	He's a remarkable man who will be a
3	huge loss to the Borough. And I just wish him
4	all the best. And there's no amount of
5	appreciation for all he's done for us that, you
6	know, I could express.
7	I just also want to say that
8	Saturday night was so heartwarming for the
9	people of Dunmore. I mean, it was just
10	incredible the good feelings and just how much
11	the Dunmore Business Association and Max and
12	all the folks involved, you know, they had like
13	10 foot robots walking around that were all lit
14	up and the balloons and the tree was gorgeous
15	and the fireworks.
16	And at the end, you know, Santa
17	came up on top of the building. I thought a
18	couple kids behind me were going to have a
19	heart attack when they saw the Santa on the
20	building. So, I mean, it was just an
21	incredible community event for us.
22	And it just goes to show you what a
23	great community we are. So as Vince leaves us,
24	it's going to be a big huge, huge hole. And I
25	appreciate everything you've done and

_	
	36
1	everything you taught me over the last four
2	years. Thank you.
3	MR. AMICO: Thank you. I don't know
4	where to start to be honest with you. This is
5	usually as I say at every meeting a pretty easy
6	thing for me to do because six people
7	actually nine people talk before me and I could
8	just, you know, chime in.
9	But I will say a few comments about
10	everything that everybody said. First of all,
11	Mayor Conway and Cara Lowe and Chris Lowe and
12	there are a huge group of people that helped on
13	Saturday for Saturday's event. It was
14	spectacular. I thought last year was something
15	special. This year was incredible.
16	As Mr. O'Malley said, I could just
17	imagine what next year will be. We had more
18	people than I had anticipated. It was quite a
19	spectacular event. So I'm super proud to have
20	been part of that.
21	And again, you guys did an awesome
22	job. As far as tonight for me, again, I don't
23	know what to say. It's weird being, you know,
24	I feel like I'm a dude lying in a casket
25	listening to people talk about you. It's

	37
1	completely strange to be in this position.
2	But I sincerely appreciate
3	everything that everybody's said. It's been my
4	honor and privilege to be a member of Council
5	for eight years and to be President for the
6	last two years. Like Mr. Hallinan said, I've
7	been with Mike Dempsey and Mr. Hallinan for
8	eight years, Beth and Janet for four years and
9	Trip and Katherine for two years.
10	I have been working with Greg for a
11	long time because when I got on Council I
12	became Fire Department liaison my second year I
13	think, Chief? And Chief and Greg helped me out
14	with a ton over the years with that position.
15	And I've learned more than I care to
16	know about the Fire Department. And I think
17	I'm hoping that we're I believe
18	personally, I believe that we as the Borough
19	are moving in the right direction. We're
20	marking tremendous strides.
21	And I think we have a fantastic
22	group here. And we're going to have a
23	fantastic group next year. And I think the
24	Borough is in a great position. So again, I'd
25	like to thank everybody for dealing with me for

1	the last eight years.
2	I'm not always the easiest person to
3	deal with. So I sincerely appreciate it. And
4	again, it's been my honor and privilege to work
5	with you guys. And I'm not dead so I'll be
6	around. That being said I'll look for a motion
7	to adjourn. Oh, and, Maria, thank you very
8	much too. With that being said, I'll look for
9	a motion to adjourn.
10	MR. O'MALLEY: I'll make that
11	motion.
12	MR. AMICO: Second?
13	MR. DEMPSEY: Second.
14	MR. AMICO: All those in favor.
15	ALL MEMBERS: Aye.
16	MR. AMICO: Opposed?
17	(No response.)
18	MR. AMICO: Ayes have it. And for
19	everybody else, we're going to have the town
20	hall meeting in five minutes.
